The first of Downers seven touchdowns was made by a series of line bucks and end runs nearly the length of the field.

In all Downers scored seven touchdowns on the visitors, divided between Griffith (3), Davenport (3) and Carpenter (3). Mochel kicked a pretty drop from the field and Griffith kicked four extra-point touchdowns, making a total of forty-nine points to the visitors' nothing.

This was the last clash of the local season, with the exception of the annual high school alumni clash, which will be played at 10 o'clock Thanksgiving morning.

Besides the above, two practice games were played with the strong Lyons township team, of La Grange, each team winning one—L. G. 24-15, D. G. 13-29, respectively. This makes Downers Grove winners in four out of seven regular games and a fifty-fifty split in two practice games. Downers Grove scored 170 points to their opponents 64.

The eleven this year, taken as a whole and on their performances, was a good team for anything near their weight, when they were outweighed they fought the good old fight but could not score readily.

They will play the strong East Aurora High School team a game, at Aurora, this afternoon in the last battle of the season.
