30 TO CHURCH SUNDAY

The ministers of Downers Grove are ousy this week calling the attention of verybody to the date of the coming GO-TO CHURCH SUNDAY. They have chosen the seemingly laborious was of visiting every home with an nvitation for everybody to be present at the services of some church on Dec A card is being left at each house on which is printed a list of the hurches of Downers Grove with the pres at which services are held. Such personal work cannot fail to produce

The card also bears the legend, You are cordially invited to attend the church of your choice." No minister in this visitation is especially representing his own church, or in viting people to come and hear him preach. He is working for the good of all the churches and so is doing community service.

One of the good things accom plished by such movements as the GO TO CHURCH SUNDAY is the impres sion that is made by the united efforts of the representatives of all the churches toward the accomplishment of a common cause. The churches which are united in this movement in Downers Grove are St. Andrews Episcopal, Congregational, Baptist, First Evangelical, St. Paul's Evangelical and Methodist.

If everybody in Downers Grove should accept the invitation to go to church on that day there will not be room enough for all. But those who zo early will no doubt find seats. EVERYBODY AT CHURCH ON SUN-DAY, DECEMBER FIFTH.
