MOTHER'S CLUB ORGANIZED FOR DOWNERS COSON

Meeting at Curtiss Theatre Tuesday Afternoon Addressed by Mrs. W. F. Young.

On Tuesday afternoon of this week nearly seventy-five mothers of Downera Grove met in the Curtiss Theatre to listen to a talk by Mrs. W. Young, of Chicago, on the advantage of concrete work among mothers for the benefit of the community in general and the children in particular. Mrs. Young is chairman of the Or ganization Committee of the State Branch of the Mothers' Congress and has made a special study of Child Welfare work. She made a very in teresting and instructive talk on the subject at this meeting.

After hearing the inspiring words of should be launched in this village. The result was the organization of

Considering the object of the club and the lack of formality in becoming a member, it is predicted that the organization will have a rapid growth. it should eventually include in its memberhip every mother and child selfare worker in this village and vi cinity. This is the earnest wish o those who have been active in the preliminary work.

Meetings will be held the third Tuesday in each month at Library Hall at 2 o'clock. The next meeting to be February 20.

It is hoped that everyone who ca o so will be in attendance. The club has been fortunate in

curing the endorsement of the superintendent of the Downers Grove schools as well as the co-operation of the local kindergarten people and public library officials. As this club is formed with the pur

pose of being essentially a commit tee body it has been granted the use of library ball the third Tuesday of each month for its meetings. The nex meeting will be held February 20.at o'clock in library hall. Everyone who lives in the village should be suffi ciently interested in the aims of the club to attend its next meeting, and large attendance is hoped for.

Seat Basket Tossers at Local Gymnasium -Score 26-23.

The Wheaton High School basket ball team, loaded with the "dope" that they defeated Batavia High 26 to 16, and that Batavia beat the locals 17 to 13, came over last Friday night prepared to annihilate the "Purple." But the high school five displayed their basket ball art and gave them a beating.

This game was easily the fastest and hardest game ever witnessed by our townspeople.

The Wheaton boys were somewhat heavier than our men but that could not stop the locals because of their superior speed and team work over the first to score when "Dutch" Durant dropped in a free throw. The locals made a spurt after Butler had rung a short shot which was followed DIED AT VANDALIA in close succession by three long ringers by DeWitt, Wheaton settled down Wellington Merts, brother of Levi to business and played hard, Voight of teams began to guard close and the
