There is more Catarah in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarah is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarah Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy. It is taken internally and acts thru the blood on the mucous surfaces of the system. One Hundred Dollars reward is offered for any case that Hall's Catarah Cure fails to cure. Send for circular and testimonials.

Starting a Telephone Talk
WHEN you have called for a number on the telephone and you hear a voice say, "This is So and So, Mr. Such and Such speaking," you know at once whether you have the right number or not.
 On the contrary, if the voice says "Hello! Hello!" you are in the dark, and you are obliged to waste time in ascertaining the identity of the person calling.
 When called to the telephone always introduce yourself at once. It saves all preliminary questioning, and avoids confusion.
