Build a Concrete Root Cellar

Use Lehigh—the National Cement
 A cement root cellar makes it possible to keep vegetables in good condition until the time of high market prices. A root cellar must be warm and dry to protect the contents from freezing and rotting. Concrete root cellars are economically constructed and give perfect satisfaction.
 It's a good plan to have several sacks of Lehigh Cement always on hand for use about the place.

RED CROSS BENEFIT
 AT HILL CREST FARM
 Splendid Social and Financial Success
 on Lawn at Goodrich Home
 last Wednesday

On Wednesday evening, August 1st the lawn at Hillcrest Farm was the scene of a most delightful gathering. The girls of the East Branch Community, led by Mrs. J. Collins Goodrich, gave an ice cream social and entertainment for the benefit of the Red Cross.

Everything and everybody, even the weather man, cooperated in making the affair a social and financial success. The lawn was beautifully decorated with flags, Japanese lanterns and torches and the moon did her best to grace the occasion. A moonlight night, a cloudless sky, everybody and his best girl, with something good to eat, make a combination hard to equal.

The candy booth, tastefully decorated with flags and pretty girls, was the favorite ground for the younger generation.

Miss Avis Lemple, of the Grove and Mr. Peterson, of Naperville, gave vocal numbers. Miss Elizabeth Kohley played the violin and Miss Rose Porter, of Lisle, whistled. These numbers were greatly appreciated. The sweet strains of the violin, mandolins and banjos, played by Messrs Collins, Ritchie, Rife, Peterson and Latschaw, of Downers Grove, were thoroughly appreciated, and added a wonderful touch to the evening. Some of the lighter footed ones even danced out on the lawn.

Although the tickets were only 15c, over \$63 was taken in, \$35 of which was clear and was turned over to the Naperville branch of the Red Cross. The very best part of this party was the community spirit which pervaded it and the hearty cooperation given by everyone.

Special gratitude is due those who so kindly lent their talents to help entertain the company.
