## GREETINGS

This Christmas is the first in memory of most of us when this great Country of ours has been engaged in a war. Due to this great conflict our Government has asked everyone to save and in every possible way.

### We Are Helping You Save!

Through the efficient marketing of goods under our merchandising plan (known as the Cash and Carry System) we save you almost 10 per cent on your grocery bills. This system has the endorsement of our government leaders who have advised the people to trade this way and thus save money. We are helping you "do your bit" of saving.
