Don't Exaggerate. The girl who stretches every statement she makes out of all resemblance to the actual facts of the case may imagine she is strengthening what she is trying to say. But that is a mistake. People who listen to an exaggerated statement invariably discount it, and usually more than it deserves, and in addition they feel a distrust of anything which has to be so overemphasized. Every exaggerated statement is weakened in proportion as it is exaggerated.—Grit.

DOWNERS GROVE HONOR ROLL

Following is an alphabetical list of all persons from Downers Grove and vicinity who have or are serving in the Army, the Navy, the Marine Corps or some other branch of the United States service.

We have tried to make the list as complete and up-to-date as possible. There are mistakes in it, we are sure. Names have been left out and some may be there that should not be credited to Downers Grove. In either case, we hope that our readers will notify us promptly of mistakes so that they can be corrected.

It is our aim to have this list correct and up to the minute. Help us to keep it so.
