NOTES OF VESTA CHAPTER, O. E. S. The first regular meeting of Vesta Chapter, O. E. S. under the new officers was held Tuesday evening. There was a good attendance, especially of brothers who from all appearances had special invitations. The sick are improving but the list still contains the names of Sisters Dickerson, Rogers, Stimson, Frankensfeld, Harrison and Schnabele. Several members are planning to attend the five hundred party to be given by Grove Chapter, R. A. M. in Library Hall, Saturday evening. It is hoped that more of our members may soon become eligible to attend the social functions which Grove Chapter expects to have for its members and their ladies. Sister Fannie Stewart has been appointed to look after the Chapter part in the home coming of the boys. Brother and Sister Lower entertain several of the boys on Monday evening in honor of their son, Carl, who is here on a short leave. Brother and Sister Kuegeman entertained Brother and Sister Olson and Brother and Sister White at dinner Thursday evening. Sister Kuegeman is one of the newly elected officers. There will be a Young People's night this year. Much worthy comment was given the young people as the acting officers a short time ago. The success of the Chapter depends greatly on the interest of the young people and as acting officers they give Vesta Chapter the opportunity of selecting those who are best qualified to serve as officers.

NOTED COMMUNITY ADVISOR TO TALK AT HIGH SCHOOL Prof. R. E. Hieronymus, Community Advisor of the State University of Illinois, will speak on the subject "The High School as a Community Center" in the High School auditorium on Tuesday evening, February 4th at eight o'clock. This is a vitally interesting subject especially at this time when the project of building a township high school is being brought before our people. Everyone interested in the local school situation and in Downers Grove should be present at this meeting. Returned soldiers and sailors—register at the Village Office.

ARCADIAN CLUB ANNUAL BANQUET LAST SATURDAY The annual banquet of The Arcadian Club was held at the home of Mr. and Mrs. W. F. Heintz, last Saturday evening, January 25th. This event is looked forward to by the members of the Club with great interest. Covers were laid for 27, 25 members and two former members, Mr. and Mrs. Ray O. Miller. The tables were very prettily decorated, pink and white being the color scheme. After justice had been done to the elaborate dinner, the balance of the evening was given over to a very interesting program, consisting of toasts musical numbers and papers by the club members. A very interesting talk was given by Mr. Samuel Kenison, on the early days of The Arcadian Club, and how it came into existence in 1902. He related that several of the young people of Downers Grove had spent a very happy vacation at "Arcadia Lodge," Petoskey, Michigan. On their return to Downers Grove, it was suggested that a club be formed for the purpose of continuing the pleasant associations enjoyed at "Arcadia Lodge." The thought materialized in the organization of a literary and musical club since known as The Arcadian Club. The first officers of this club were Miss Grace Huling, President; Miss Fern Fairweather, Vice-President; Miss Bernice Smith, Secretary, and Miss Maude Littleford, Treasurer. Mr. Kenison bears the distinction of being the only charter member associated with the Club at the present time. It is rather unusual that a club of this character should continue in existence for a period of over eighteen years. Three of the members, Gilbert R. Lacey, Adolph Winter and Walter Johnstone are serving with the colors; Lieutenant Harvey Drew has just recently returned home, and was present at the club festivities. The members of the Arcadian Club meet twice each month with the exception of during the summer months. The present officers are Miss Edna Finch, President; Mr. S. J. Kennison Vice-President; Mr. Watta, Secretary and Mr. Fred Drisler, Treasurer.

Good Sugar-Producing Country. The soil and climate in the Peruvian valleys are exceptionally favorable to the production of sugar, and the average yield of four or five tons per acre is said to surpass that of any other sugar-producing country, with the exception of Hawaii.
