2ND COMMUNITY WELCOME, DICKE THEATRE, FRIDAY

Downers Grove Will Get Second Chance to See and Hear Local War Veterans

Downers Grove's second community welcome to the boys who served their country in the World War, will be held at the Dicke Theatre next Friday evening, February 21st.

Many more local soldiers and sailors have returned in the month since the first public welcome, and of these, the majority have seen overseas service. The unqualified success of the first demonstration assures a crowd of local people and the boys will not disappoint as they have been through experiences, grave and gay

HIGH SCHOOL TO BE DISCUSSED AT SUNDAY MEETING

Community Welfare League Has Called a Mass Meeting at Library to Talk Over the Project

The Community Welfare League has issued a call for a mass meeting of Downers Grove residents at Library hall for next Sunday afternoon February 16th at three o'clock.

that are worth hearing. The only trouble has been getting the names of the returned boys so that they could be properly notified of the occasion by a printed invitation. The reception committee urges that the names of those who will be here next Friday night be sent either to Mr. H. E. Tank or to the Reporter office.

Everything possible has been done to get a correct list, but they know it is incomplete; and for this reason, this notice to those who took the Federal oath to serve Uncle Sam, is sufficient invitation to be present.

They want every local soldier or sailor who served to be present that night.

Let's make this welcome better than the first. The welcome orchestra will again furnish the music.

Boys of the World War are Invited Guests of Grove Lodge Saturday Evening

The boys of the world war are invited to be present at the annual reception given by Grove Lodge, 824, A. F. & A. M. to Naper Post, G. A. R. This reception will be held tomorrow, Saturday, evening at the lodge hall. Invitations have been mailed to all who have returned so far as known, but for fear someone has been overlooked, this supplemental invitation is printed.

A fine program has been arranged and with the "Camp Fire," this should prove to be an enjoyable evening.

kind, is urged to be present. It is a matter vital to the future interests of the village and community, and should have the support of all progressive people.

There will be no regular speaker at this meeting, only a free discussion of the merits and demerits of the proposed township or community high school.

The idea is not very well understood, by either the local people or the farmers and this free-for-all meeting should go far in clearing up these doubtful points.
