

NEW CONCRETE COUNTY ROADS THIS SUMMER

At the meeting of the Board of Supervisors of DuPage County, held Friday, February 7th, it was decided to build a concrete surface on the road recently constructed in the east part of the county on Lincoln Highway.

This improvement will be one and three-fourths miles in length and will connect the two pieces of concrete now in and make a continuous improved road for a distance of about six miles. The County Superintendent of Highways will have direct charge of this work and build it to conform to the state specifications.

The county has another section of road to build beginning at the A. E. & C. tracks on Chicago Avenue at the west line of the city of Wheaton and running west for a distance of three and one half miles.

E. L. Gates, the County Superintendent, is busy with a survey party getting plans and specifications ready for the county's share of this great project.

FRANK BERTOLIN

Frank William Bertolin passed away Saturday, February 8th, from a complication of influenza and pneumonia. He had been very sick for a week and his condition was such that death was looked for at any time until Friday morning, when a slight change for the better made it seem as if his recovery was possible.

Funeral services were held Tuesday morning at St. Joseph's church, Rev. E. B. Goodwin officiating and burial was made in Mt. Carmel Cemetery.

Frank Bertolin was born in Chicago, March 11, 1891 and moved here with his parents, Mr. and Mrs. C. E. Bertolin, eleven years ago. Seven years ago he married Miss Louise Lehman, of Hinsdale, and two children, Richard and Chester, were born to them.

Besides his wife and children he leaves his father, mother, sister, Mrs. Seibert, and four brothers, Leo, Joseph, Samuel and Charles, to mourn his untimely passing away.

Bolsheviks Feel Yank Fangs

Meeting an enemy on his own field, with his own weapons, then beating him, has always been a typical Yank trick. Therefore, it is with utmost confidence that America rests its aims with General Graves and the Yank warriors in snow-covered Russia—our new front. Here are Yank doughboys in a new picture, who have paused for a rest and to dry out clothes after a seventeen-hour hike to outflank Bolsheviki forces.

PURPLE TAKES DOUBLE HEADER FROM GLEN ELLYN

Locals in Final Spurt Won Exciting Game 19-15 While the Seconds Also Won.

Downers Grove High School has again jumped into a winning stride. Both teams from Glen Ellyn suffered defeat at the hands of the Purple quintets. Coach Beaster's aggregation has lots of pep and made the local fives work for every point they made.

Glen Ellyn First to Score Shortly after the whistle Addie of the opponents got loose and ringered a neat basket. For some time both teams played the ball hard and a good brand of floor work was shown.

The Purple five braced and by excellent guarding on the part of Allison and Boon, Glen Ellyn was shut out the rest of the period. Just before the period ended Grumhaus got a field goal. The half ended with the home five trailing a 11-8 score.

The Purple started out with lots of pep and ran the Glen Ellynites off their feet in the second period. Shurte got away with a long shot and followed up with a free throw tying the score. The large crowd seethed and the "old life" had come back.

Bush soon got loose and made one count. Directly after the tip-off Grumhaus speared the ringer from the center of the floor tying the score. The Purple followers went wild as the Glen Ellynites cheered their team to do its best.

The gym was again packed to the doors. The galleries have had more people in them this year than any year previous. The game was one of the cleanest ever played on the local floor, only four personal fouls being called in the entire game.

Seconds Win 10-4 Battle

For the second time this season the second team has journeyed out of gruelling tussles on the top. Glen Ellyn was their other victim last week. Thru the work of Goodman and Roth, Glen Ellyn was only allowed one field goal.

Captains Puffer and Bebb, Who Served in France are Home and Out of Service

Capt. M. L. Puffer, M. D. and Capt. W. S. Bebb, M. D., both of whom early in the war offered their services to the country are back home.

Both Dr. Bebb and Dr. Puffer left fine practices here to enter the medical corps of the army with but one thought; to serve Uncle Sam in the capacity they are so well fitted for. Each has seen plenty of army life doing their bit in camps in this country and in France and were mustered out at Camp Grant last Saturday.

Two Blackhawks Home

Clarence Heal and Frank W. Kopidansky, members of the 311th Ammunition Train of the Blackhawk Division arrived here Sunday having been discharged from the service. They were called to Camp Grant on June 26th, 1918 and trained there for almost three months when with the Illinois boys they left for overseas.

On September 25th they sailed out of New York harbor landing in England on October 7th. They traveled through the country and then sailed across the channel arriving at Cherbourg, France, about a week later. From Cherbourg the outfit was sent to Bordeaux for training.

With other units of the division they were almost ready for a journey to the front lines and a taste of the real thing when the signing of the armistice cut short their hopes for a crack at Jerry.

On January 16th they left Bordeaux landing at Newport News on the 29th. They were sent to Camp Grant and discharged there on the 9th arriving here Sunday.

Willard McCollum Home

Corporal Willard McCollum of the Ordnance Division arrived home on February 4th having been discharged from the service. He enlisted in December 1917 and was sent to Camp Dodge, Iowa from the recruit barracks at Columbus, O. From Camp Dodge he went with Melvin Binder and William Dexter, with whom he enlisted, were sent to the Rock Island Arsenal and from there to Camp Hancock, Ga. Here the boys were separated, Binder and Dexter going over, while McCollum was left, through no fault of his own.

He was sent to Camp Grant for discharge and arrived here last week.
