DOWNERS DEFEATS HARRISON TECH.

Last Friday the local boys defeated the Harrison Technical High School lightweights in an uninteresting game. Downers' boys had little trouble in keeping ahead of their opponents.

GLEN ELLYN DEFEATS D. G. H. S.

By far the best game on the home floor this season was played last Saturday night between Glen Ellyn and Downers Grove. Our boys had won at Glen Ellyn, so the rivalry was very keen making the first half a whirlwind in which the spectators nearly went wild.

The second period was as hotly contested as the first. The boys kept just about neck and neck until the end of the game. When time was up the scorers, not being provided with whistles, attempted to "call time" but before the referee noticed them one of the boys tossed a basket which tied the score.

CLASS BASKETBALL SERIES

The preliminaries of the class basketball series began on last week Wednesday when the Freshies easily defeated the Juniors by a score of 16 to 4.

The Sophs defeated the grades by a score of 50 to 3. Shurte, Bush and Hall used a little teamwork and tossed the baskets. Dicke and Goodman kept the grades from scoring by sheer force.

The grades defeated the Juniors on Thursday by a score of 14 to 9. David had little trouble in piling up the score while the Juniors stood around and watched him. Modjeska starred for the Juniors. He made a good forward and although he failed to score a single basket, he had good intentions. If the basket had been where Modjeska thought it was, the Juniors' score would undoubtedly have been a great deal higher.

This defeat put the Juniors out of the race. It was too bad to see such a good team go down to ignominious defeat. There were only two or three faults which marred their record, viz: they had no teamwork, couldn't guard and couldn't shoot baskets. Otherwise they were fairly good.

The next game was Sophs vs. Freshies, Sophs coming out at the big end of the 31 to 5 score. With their excellent team work, it was an easy matter to defeat the Freshmen. The 1921's played pretty hard, neverthe-

less. Altho Hall played guard he had plenty of time to shoot his share of the baskets.

In the semi-finals, the Freshies defeated the Grades, leaving only them and the Sophs left in the contest.

Neither side was willing to give in, so the game was a hot one. The "yearlings" played this game without their captain, having lost him in the first game with the Juniors. (Both teams which played the Juniors finished "captainless.")

On Saturday night the finals were played the Sophores winning from the Freshmen. The Freshies showed their best game, but no team in the race could beat the Sophs, so the championship went to them. The final score was 34 to 5. The Sophs sure had some team.

The standing is: Sophomores 3 0 115 1.000 Freshmen 2 2 55 .500 Grades 1 2 29 .333 Juniors 0 2 13 .000

The standing of the players for the series is:

Hall leads in number of baskets, tossing 20. David leads in number of free throws, 9 out of 12. David and Bush have best individual records.

The Junior Auxilliary of the Red Cross has brought its total of garments made from Red Cross material up to 583.

The total number of contributed garments is 58. The total number of crib quilts is 20.

We will be glad to receive tin foil and old kid gloves. The tin foil is sold for the benefit of the French wounded and the gloves are used for the lining of aviator's coats.

We wish to thank the mothers and friends whose support and help has made the Junior Red Cross possible.

CHURCH NOTES AND ANNOUNCEMENTS

The Baptist-Congregational group began the last half of their union period last Sunday in the Baptist church. Both Sunday school and morning service were largely attended.

The Sunday schools and congregations of the above two churches will meet in the Baptist building next Sunday morning. Sunday school at 9:45. Morning worship at 11:00. The Lord's supper will be celebrated with the two pastors presiding. Mr. Grey will preach, his subject being: "The Preeminence of Christ."

The union evening service of the five churches will be held in the Baptist church next Sunday at 7:30 o'clock. Dr. Jenness will preach the sermon. Special music will be provided by the joint choirs.

The union Young People's Meeting will be held in the Baptist church at 6:30 p. m. The program will be in charge of the St. Paul's church society.

The Evangelical and Methodist churches will resume services in their respective buildings next Sunday morning, in accordance with the schedule adopted in January.

Meeting of the Juniors at the Baptist church next Wednesday afternoon at 3:30.

Making an Old Thing Useful. My oven had a tendency to burn on the bottom until a friend told me to cut a piece of old wire screen just the size of my oven, and always keep it in place. Since then I have had no further trouble. The cost was nil, as I cut the screen from a discarded door. —Cartoons Magazine.

The limit of time for filing income tax returns has been extended to the first of April. In order to assure prompt and accurate identification, the War Department has adopted a system of numbering enlisted men of the Army.

Small stocks of corn in the hands of dealers in New England and other eastern and southern states, with the exception of Delaware, Maryland and Virginia, where surpluses were produced, are indicated by reports to the Department of Agriculture.

The War Department now permits women to qualify as inspectors of small arms, according to an announcement by the Civil Service Commission. Before the war the Navy's Bureau of Identification had the fingerprint records of 300,000 men.

There is no standard recipe for "victory bread," the only requirement being that it must contain not more than 80 per cent of wheat flour, the remaining 20 per cent being composed of corn meal or corn flour, rice, potato flour, or other cereals recommended by the Food Administration.

When Dog Sought His Master. There is a story in the American Magazine in which a writer says: "He had come many miles. He had many miles yet to go. From sleeping farmhouses dogs bayed him as he passed, running like a big fox, silent and swift. The road turned and twisted among the hills and small mountains. Ahead in the sky was a glow of coming day. It grew brighter with the passing miles. It drew him on. The distance would have meant little to him, except for the tremendous speed at which he had been traveling. Now his chest was flecked with foam. His tail, carried usually so proudly, followed the curve of his haunches. His overstrained muscles worked mechanically like pistons. His heart pounded his long, lean, red ribs. "Dizzy, almost fainted, he came at last to the top of a hill, and stopped, ears erect. Below him stretched rows of twinkling lights that, all together, made up the glow in the sky. That was the city with the strange building into which they had carried Tommy Earle!"

Shame Makes One Forget. Forgetting is a strange phenomenon. According to the modern psychologists, we are most apt to forget those things that we do not want to remember—especially those of which we are ashamed. In an address on criminals who are on the border line of insanity, delivered recently before the Clinical Society of St. Elizabeth's Hospital, Washington, Dr. Leon Emile Duval told of many mentally unbalanced men who in their normal state could not remember disgraceful deeds they had done, and said this was to be explained on the basis that "it is the thing of which we are ashamed and which conflicts with the customs of society which is soonest relegated to the realm of the unconscious."

Tremendous Speed. Fulminate of mercury, which is used as the original detonating charge in torpedoes, expands at a furious rate. A writer in the Illustrated World makes a comparison between this rate of expansion and an express train traveling at the rate of 60 miles an hour. "Imagine," he says, "24,000 feet a second—instead of the 80 feet a second made by a mile-a-minute train—and you will know why fulminate of mercury going off in your hand will carry a finger with it and yet not burn your coat." That is the ultimate in speed.

Typewriting on Parchment Fades. It has been found that typewriting on parchment deeds is not durable. In deeds deposited within very recent years many lines are illegible and several lines have completely disappeared.
