LAST WORDS OF GREAT MEN

Notable Utterances That Have Been Accepted by the World as More or Less Authentic.

First words of human beings every

where are as much alike in their signi ficance as are in the essentials of dependence and trustfulness the infants who stammer them. Last words differ as greatly to purport as do then otterers in age, experience, environment, intellect and character. Of the many "dying sentences" that have passed into the category of familiar quotations it is, of course, impossible always to separate the apocryphal from the real. To attempt such a di vision would not be worth the pains It is better to take on trust the plansthose in full possession of bodily strength but about to suffer execution. Such are Sir Thomas More's adjuration as he faced the scaffold, "See me remedy but a sure one for all ills: Madame Roland's "O Liberty, what crimes are committed in the name!" and Nathan Hale's "I only regret that I have but one life to give for my counfry." Other "last words" embody a dring effort at coherence or are mere-In her book, Science and Health, ly the murmurs of delirium. Two famous farewells are attributed to Rabelais-"Draw the curtain, the farce is ended," and "I am going to seek a great perhaps." Goethe's plea, which the world has refused to take as spoken literally, for "Light! more light!" has a more modern counterpart in Tennyson's enigmatic "I have opened it." perhaps referring to the volume of Shakespeare at his side but susceptible also of esoteric interpretation.

Proper Locomotive Signale.
