**GEORGE BEBAN in
 "One More American"**

He'll make you laugh, he'll make you cry, and laugh again. He sure is America's foremost character actor.

It's a delightfully human story of an immigrant and his little family and his fight with a grafting politician. When he becomes "One More American" citizen, he writes at once to a soldier friend in Italy as follows:

"Our Uncle Sam he make no noise
 But spend the mon' and train the boys—
 I hear you lose in big, bad push,
 But Uncle Sam make centre rush.
 You hold the line and do your best,
 Our Uncle Sam come do the rest."
