"And The Star Spangled Banner Forever Shall Wave, Over The Land of The Free and The Home of The Brave."

BRUNS - BOLDEBUCK

At 7:30 p. m. Wednesday evening, the home of Mr. and Mrs. Henry W. Bruns, at 100 North Main St., was the pleasant setting for the wedding of their daughter, Miss Ruth Irene, to Mr. Paul James Boldebeck, a modest yet popular young man of our city, the son of Mr. and Mrs. H. C. Boldebeck whose home is on Ross Court.

At the hour arranged the invited guests, immediate relatives of the contracting parties, had assembled in the spacious rooms of the Bruns home to the number of about forty. The parlor had been artistically decorated with large bouquets of fresh picked daisies and American honeysuckles.

Miss Ruth Kidwell at the piano, in a becoming dress of pink taffeta with silver lace, rendered the ever popular Lohengrin wedding march, while the bridal parties made their way to their respective places. Rev. Ralph Kendall Schwab led in the groom and the groomsman, Frank H. Bruns, who gave the occasion a military touch in his neat Yeoman's full dress uniform. Then came the bride's maid, Miss Lydia Selig, wearing a salmon pink gown of georgette crepe, and carrying a bouquet of yellow Ward roses. Last came the bride herself, beautifully gowned in white georgette crepe and taffeta silk. She carried a large, shabby bouquet of white bride's roses, and lilies of the valley.

In a quiet and impressive way the pastor conducted the ritual service with the ring ceremony uniting the hands, hearts and fortunes of the two

happy young people; then came the congratulations and expression of good wishes. The couple were the recipients of many beautiful and valuable presents.

After an hour of games and friendly visiting on the porches and lawn, all were invited into the well laden tables in the dining rooms. At the bridal table sat the bride and groom and the parents of the bride and groom and the grandparents of the groom, Mr. and Mrs. W. J. Beidelmann of this village who can look back over two and fifty years of married happiness. The tables had favors of daisies at each plate, and the snowy white bride's cake was decorated with white columbine and white Moore River privet blossoms.

For a while there was the evening song of birds, then came the charming boys of Mr. Boldebeck's S. S. class who were followed by other and older bloods of the town. All finally were satisfied and sent away happy.

Besides the members of the immediate families of the bride and groom there were present: Mr. and Mrs. Edward Knaak and children, Mr. and Mrs. Carl J. Stone and little son, Mr. and Mrs. Rudolph Bofinger and Miss Martha Diener of Downers Grove and Mr. and Mrs. Arthur W. Boldebeck and little daughter, Florence Bruns and Anne Schmekel of Chicago.

Mr. and Mrs. Boldebeck will live in the neat cottage which they have built on North Main Street.

We all join in wishing them the best things which life can give.

NEWSY NOTES FROM LISLE AND BELMONT

LISLE CONGREGATIONAL CHURCH NOTES

Sunday school 9 a. m. We are glad for the attendance of last Sunday. Everyone is welcome. There will be no church as the pastor is away on a vacation.

Mrs. Frank Haumesser is visiting relatives at Odell, Ill.

Mr. and Mrs. F. Smith of Woodford farm are rejoicing over the birth of an 8 1/2 lb daughter, June 25.

Serg. Raymond Giesler is home on a ten day furlough from Georgia.

John Campbell of Camp Grant visited friends in Lisle Sunday.

A farewell party was given at the home of Mr. and Mrs. Joy Morton Tuesday evening in honor of Mr. Geo. Barto, who left for Camp Grant Wednesday. A beautiful wrist watch was given him by Mr. Morton and his employees in recognition of the faithful service rendered as chauffeur. The lawn was beautifully decorated with imported Japanese lanterns. Mr. Martin Riedly who left Wednesday also for Camp Grant was a guest at the party. He and Mr. Barto were each presented with a fine silk flag.

Five new stars will be added to our service flag. They will be for: W. Siewak, G. Karsten, Geo. Barto, M. Riedly stationed at Camp Grant and for Arthur Giesler stationed at the Great Lakes.

CASS PERSONALS

On Monday evening a very impressive farewell service was held for the boys of this congregation who are about to leave for their various training camps. The church was crowded to the doors with an attentive and appreciative audience. The pastor of the church spoke to the boys on Revelations 2, 10, reminding them of their duties towards their God and Country. During the service the boys partook of Holy Communion with their friends and relatives.

After the services in the church an informal reception was held in the Laclede. Here recitations, patriotic speeches and songs helped to make the evening a very pleasant one. As each boy was presented to the large gathering, he spoke a few words expressing his love for the country and his desire to get out and help win the war.

Friday afternoon a meeting will be held in the Laclede school in the interest of Thrift Stamps.

NEW MEAT REGULATIONS

The demands for beef for our army and Allied armies and their civil populations for this summer are beyond our present surplus.

On the other hand we have enough increased supply of pork this summer to permit economical expansion in its use.

It will therefore be a direct service to our armies and the Allies if our people would in some degree substitute fresh pork, bacon, hams and sausage for beef products.

The following regulations are therefore published, to be in effect on and after Monday, June 17:

Hotels, restaurants, clubs and other eating places must not place on their menus or serve boiled beef more than two meals weekly, beefsteak more than one meal weekly and roast beef more than one meal weekly.

Householders should not under any circumstances buy more than one and one-quarter pounds of clear beef weekly, or one and one-half pounds including the bone, per person in the household. The public will realize that the changing conditions of production from season to season, the changing situation in shipping and therefore of the markets available to the Allies and the increasing demands for our own growing army, with the fluctuating supply of local beef in France, all make it impossible to determine policies for long periods in advance.

We have recently asked for economy in all meat consumption. We wish now to emphasize further reduction of beef consumption by the substitution of pork.

It is anticipated that this regulation and request will hold good until September 15th, and the co-operation of the public is most earnestly requested.

18. a. Meditation, Dorna St. John b. Grand Polka de Concert, V. Wallage Anna David

Admission: Adults 25c; Children 10c.

CENTURY PLANT BLOOMS

A Century plant is blooming at Bronswood cemetery. This occurrence is a rarity in our northern climate and every one should take this opportunity of seeing this, one of nature's peculiar growths. The blossom stalk made its appearance in April, and shot up so rapidly that one could almost see it go on its upward way. The stalk is now twenty feet high and the blossom branches have been thrown out. It will be in full bloom next week.

A visit to the Bronswood cemetery, with its beautiful drives and splendid views will be well worth time and effort of making the short trip.

Duties of the Queen Bee.

It may be interesting to some people to learn that all the work in a beehive is done by female bees. The drones, or males, live on the labors of their more industrious female companions. Moreover, there is no such thing as a king bee. The ruler of the hive is the queen, but she is a ruler in name only, being guarded and protected by the bees simply because the colony would become extinct if she did not lay eggs at a prodigious rate. It is not unusual for a good queen to produce her own weight in eggs in a single day, and she keeps this up for weeks at a time.

Dentists' Instruments.

For the use of physicians and dentists a tongue depressing instrument has been invented that switches on an electric light to illuminate a patient's mouth when it is used.

We handle the best line of farm implements, tractors, plows, wagons, motor trucks and gas engines, made in America. Every piece of farm machinery we sell is fully guaranteed and by the best manufacturers such as the Deering line, the John Deere and Janesville; all well known the world over.

We give a repair service that talks for itself. In these days of shortage of men, it pays the farmer to get the best of labor saving tools and tools that are made and distributed as near home as possible and if you do this you cannot go wrong.

Come in and we will show you some regular farm tools. Do not stay in the 18th Century class but buy up-to-date goods; cheaper now than ever before, considering the prices you are getting for your grain.

Buy a Deering Binder

A FARMER who has spent the best part of his life growing grain and who has figured out every side of the profits and losses of grain growing says that the binder is the one machine that made possible any great profit in the business of raising small grain. He also says that, no matter what he could buy any other binder for, he would buy a Deering, because, after years of experience in many different kinds of grain fields, he knows that the Deering will take care of any problem in grain cutting that it may have to face.

The Deering binder has been on the market for close to three-quarters of a century. More than any other machine, it has had the benefit of expert knowledge and of field tests of every kind.

You will appreciate the Deering binder. Come in and see us.
