Are You an Ant or a Grasshopper?

Remember Aesop's story of the Ant and the Grasshopper? How the Grasshopper sang all summer long with no thought of the coming winter, while the Ant worked and stored up a supply of necessities for use during the cold weather?

If you do you'll also remember that the Grasshopper froze to death while the Ant lived to enjoy life for many moons thereafter.

 If you have a picture of any Downers Grove boy now in the service of Uncle Sam call 50-R. They will be shown at the Dicke Theatre in the near future. We believe this is the best way and in fact about the only way to introduce our home boys now fighting for democracy. We want pictures of boys in France also boys in our training camps. Lets make this a complete record of all our boys and not leave any of them out.
