Sunday June 30th

10 a. m. An interesting Children's Day program will be rendered in place of the usual Sunday school and morning worship.

Bring your friends and

families and come! Bring a bouquet of flowers and a cheerful, liberal offering for the great missionary work of our denomination. We want to raise our share of the \$30,000 which our denomination hopes to raise in the Children's Day Offering this year. Visitors are welcome.

Another very interesting part of the service will be a "Christening Service" for a number of the smaller children of the church families. This is an appropriate and beautiful occasion.

Our new G verse: "Give and it shall be given unto you."

6:45 p. m. Young People's Alliance hour: leader, Edgar Thoin. Topic: "The Power of the Cross in Africa." You are sure to enjoy this meeting.

7:30 p. m. Union service in the M. E. church. Let us be part of the large crowd that will want to hear Rev. Grey.

Wednesday, July 3rd

8 p. m. Midweek service. I cannot tell who will lead nor what the topic will be. You will have to be there to find out. It's the night before the 4th you know.

GIRLS CANNING CLUB AGAIN IN OPERATION

Friday evening, June 21, a number of girls met at the home of Mrs. Wm. Straube for the purpose of reorganizing the Canning Club of last summer. At the meeting it was decided that canning should continue this summer. Mrs. Straube is member at large and is also chairman of Food Conservation in DuPage County.

The girls had great success with their canning last summer, selling their products, giving the proceeds to the Red Cross.

The purpose of the canning club is to conserve food and prevent waste by canning all products available. They will can the produce and sell it for some war organization. The club has not decided this point as yet.

Two new members have been added to the list, Laura Edwards and Marion Knox.

A canning demonstration was held in the Domestic Science room at the school house yesterday. Mrs. Burgess was the demonstrator.

THIS IS WORTH TRYING

Wenona Farmer Tells Threshermen How to Save a Bushel of Wheat to the Acre.

Lyon Kerr, an observing farmer of Wenona, Ill., writes the following letter to the Committee on Food Production and Conservation of the State Council of Defense concerning the waste of wheat in threshing: "I have observed that there is much preventable waste of wheat at threshing time, especially around the threshing machine. If the tarpaulin used by threshermen to cover their machines at night is spread on the ground in front of the machine and at the sides where the sheaves are unloaded, enough wheat will be saved each day to pay for the tarpaulin.

I put my automobile cover on a wagon in 1915, and the wheat that it caught during the unloading was a good peck, and I saw fully as much more wasted between the wagon and the machine. Just a little care would have saved fifty bushels of wheat off sixty acres."

TWENTY-TWO YEARS AGO IN THE REPORTER

(From the issue of July 2, 1896)

C. F. Davis and family visited friends and relatives in Wheaton Sunday.

M. K. Bush leaves tomorrow for an extended trip to Salt Lake City and points west.

L. P. Naramore has almost completely recovered and resumed his trips to the city this week.

Dr. Pattison, the blind poet of Downers Grove, and his estimable wife, are comfortably located in their new home near the North Side school.

Misses Martha and Helen Downer were visiting friends in Aurora last week.

The biggest man in town Sunday was John H. Hill and all on account of a little daughter born Saturday evening.

Mrs. John Nargney and Miss Jean Fidler are entertaining a friend from the city.

Little Ruth Lancaster who was dangerously sick with diphtheria a short time ago, is again sick with paralysis and heart trouble.

Mr. and Mrs. V. Simonson entertained a few friends at dinner Sunday at their pleasant home on Gilbert ave.

A quiet wedding occurred last Saturday evening in which Miss Celia Adelle Lamb and Mr. Vincent Lovell were united in the holy bonds of matrimony. The ceremony was performed at the home of the bride's mother on Prairie avenue, at 8:00 o'clock by Rev. A. E. Saunders, and was witnessed only by the immediate relatives of the contracting parties.

Merits of Wooden Barrel Obvious.

A barrel can be rolled. This is its greatest merit, says Popular Science Monthly. Every other shape of container which weighs over a hundred pounds when filled, must be lifted bodily and carried on a hand truck or by hoisting machinery. One man can unload a cartload of sugar—200 barrels of it—in less than an hour. Don't you wish it were at your door? No other container can be handled at this rate, even by two men working at top speed.
