Are You an Ant or a Grasshopper?

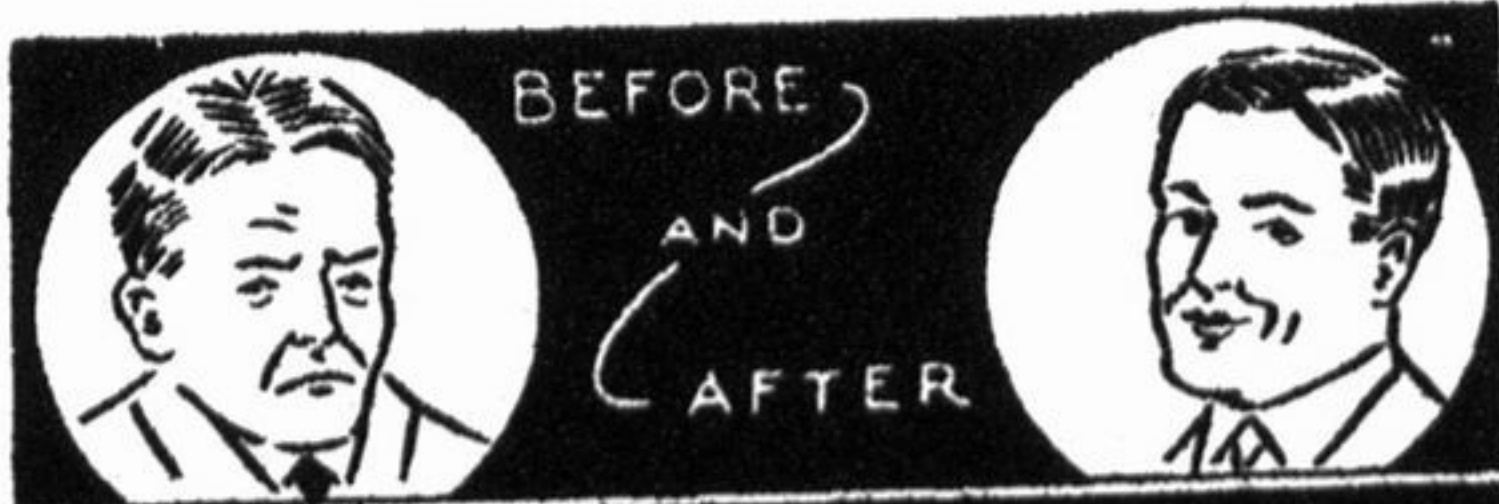

Remember Aesop's story of the Ant and the Grasshopper? How the Grasshopper sang all summer long with no thought of the coming winter, while the Ant worked and stored up a supply of necessities for use during the cold weather?

If you do you'll also remember that the Grasshopper froze to death while the Ant lived to enjoy life for many moons thereafter.

Mrs. Burgess of Wheaton gave a most interesting and instructive demonstration at the Lisle church parlors on the use of the substitutes for bread making on the 2nd of July. Miss Margaret Rogers gave an equally interesting demonstration on canning vegetables, cold pack method, at Warwood Farm on July 10th. A large attendance at both demonstrations shows the interest our ladies are taking in doing their "utmost" to help in conservation.

The W. C. T. U. of Naperville will give a Medal Contest program at the Lisle Church Sunday evening at 8 p. m. July 21st. A silver offering will be taken the proceeds to be given to the local Red Cross. An interesting patriotic program is assured.
