Don't Wait to Do Good Deeds.

The good deeds we would do are brightened and made more prolific of beneficial results if we carry them out while the enthusiasm of our generous impulse is upon us. Have we not all experienced the warm desire to succeed; postponed to a more convenient time (for us)—then dreading for days until we finally drag ourselves to an accomplishment that makes of kindness a pitiful treadmill and bestows no sweet gratification upon the recipient, who impatiently feels the intrusion of his benefactor?

TWENTY-TWO YEARS AGO IN THE REPORTER

From the issue of April 29, 1897...

Mrs. Theodore Aldrich has returned home from South Carolina, where she spent the winter.

Miss Edith Graham visited Wednesday and Thursday with Miss Jessie Potter in the City.

Alex Heidelman, Al Nash, Levi Mertz, A. J. Cooper and Tommy Hopkinson visited J. Ward Ellis lodge, 1. O. O. F., Chicago, last evening.

A new carpet was laid in the Baptist Church Saturday, thus completing the extensive improvements recently made in that house of worship.

Jacob Klein, Jr., paid \$37.50 per head for lot of milk cows one day last week. (Some price according to 1919 standards, what?)

Mr. and Mrs. M. Slusser returned yesterday from their visit with relatives at Independence, Kas.

Chester Oswald, who occupied the position of drug clerk at Carpenter's last year, visited in the Grove the first of the week.

E. H. Huntington's parents have taken a house at Hinsdale and will move there next week.

J. B. Moss and his force of workmen left yesterday for Morris, Ill., where he has several large building contracts. Those who accompanied him were: Shepley H. Moss, John Brown and Walter Wells.

Mrs. Guy L. Bush is again able to be out after quite a siege of malaria.

CHURCHES ASKED TO OBSERVE EMPLOYMENT SUNDAY

Mayor Kidwell is in receipt of the following letter and hopes that local churches will act according to its contents. U. S. DEPARTMENT OF LABOR Chicago, Ill., April 23, 1919 The Mayor, Downers Grove, Ill. Honorable Sir:— On April 17, 1919 President Wilson called from Paris to the White House Washington, D. C., the following public statement regarding "Employment Sunday" which will be nationally observed on May 4th. "The church organizations of the country having generously united in an effort to assist the Employment Service of the United States in finding work for returned soldiers and sailors and war workers, and having designated Sunday, May 4, as 'Employment Sunday,' I am happy to add my voice to others in an appeal to our fellow countrymen to give their earnest and united support to this and every similar movement. "I hope that the people of the country will universally observe 'Employment Sunday' as a day of fresh dedication to the mutual helpfulness which will serve to work out in the months to come the difficult problems of employment and industrial reorganization. In these days of victory we can make no better offering than that of service to the men and women who have won the victory.

Permanent Colors.

Ancient Egyptians had a marvelous knowledge of what colors they understood fully what colors would last. In the Egyptian pyramids the ground colors are as good as ever they were. The Egyptians worked their outlines in black, used clay for their whites, ferruginous earth for their reds, ochre for their yellows, and for greens they used perches green jasper or mixed blue carbonate of copper with ochre. All these colors are permanent.

Relative Value of Milk.

The fat globules of goats' milk are so small that cream rises very slowly. This quality, however, gives to the milk a uniform richness not possessed by cows' milk. There are now several condensed milk factories using goats' milk which is considered and sold for infant feeding. Many thousands of infants are compelled to fast during their first few months on condensed cows' milk, and it is not the best food for their stomachs.

No Such Word as Fail.

There is a difference between not succeeding and failing. The one is final; the other is only a temporary hindrance. If you get over in spite of not succeeding, if you start again and set on the knowledge you have gained by your slip, it will not work you lasting injury. It is only when you surrender that you are really beaten. There is no such word as "fail" to one who will not give up.

Don't Worry.

Rise above small things. The woman who lets small things worry her will be completely undone the first time she meets with a really big problem. It is demoralizing to your mental and nervous condition, not to mention your physical condition, to worry. You need not be resigned to fate nor sit your troubles on the old friend duck's back, throw water. But you can meet troubles with a will to conquer them or adjust them—and after that you should worry, but not over-worry.

READING ROOM IN CHURCH PARLORS IS PLANNED

Plans are being made to have a reading room in the church parlors which will be open to the public one or two evenings each week. Popular magazines and good books will be accessible. Besides the reading material, if plans work out all right, there will be games of chess, checkers, etc. It is hoped that people interested and those who wish to take the opportunities as presented will speak to the pastor or other friends of the church. The aim is to establish harmless enjoyment for leisure time and to create a good spirit among all our young people. Definite times for meeting will be scheduled later. Kindly watch the notices in the Reporter from time to time.

World's Famous Streets.

A certain difference of opinion appears to exist as to which is the most beautiful street in the world. Among those "in the running" may be mentioned: Princes street, Edinburgh, from which the city received her nickname of the "Athens of the North"; the Via X X September, Genoa; Seckville street, Dublin; the Avenida Calles and the Plaza Magna, both in Buenos Aires; the High Street, Belfast; and the Unter den Linden, Berlin.
