A Hay Crop on Your Lawn

Isn't it surprising how the grass on your lawn has grown under the influence of the heavy rains? It's a regular hay crop.

In cutting, you find how inefficient is your old lawn mower. It is a veteran of many a season and a new one is a necessity.

Our line of Lawn Mowers is made up of the best manufactured. They are fine value for the money asked.

"The Sheriff's Son"
 A Paramount Picture

On one side, a whole gang of cattle thieves who live by their guns and love nothing better than a bloody battle. On the other side, a city youth who's "afraid of his shadow"—and a girl. But in order to get the full benefit of the story you must see the picture.
