

THE HONOR ROLL of Du Page County

Wants the Picture of Every Boy from DuPage County Who Has Been in the U.S. Service

The Honor Roll of Du Page County will present an authentic record showing the photographs and biographies of all "The Boys" from Du Page County and others who so brilliantly represented their Country, and the State of Illinois in this great war.

There is absolutely no charge made and you are obligated in no way. You owe it to your friends and relatives to see that they are not left out of this permanent history of "Who's Who" in the world war from Du Page County.

Can you imagine the joy it would have given our veterans of the Civil War if they had a record showing the pictures and history of "The Boys" from their town and county, who stood with them in "61"?

This county has given generously of its manhood, some of whom will never return. In the years of peace to follow let not a single soldier be lost as an individual, but let every citizen of the county co-operate in every way to compile a record that will stand as a monument of credit to the patriotism of this county, a tribute to each individual soldier, an honor roll to which we can point with pride, which will serve as permanent history of "Who's Who" and for the edification of the generations to come.

THE PICTURES SHOULD BE BROUGHT IN AT ONCE

We also want pictures of the women who have been associated with the Red Cross work in this county and the men connected with Liberty Loan Committee and other work for this book. Bring these pictures in as quickly as possible as we will have a special home service of wonderful importance that will be treasured by your families and handed down from one generation to another.
