TELL MR. GREINER "COME OUT OF THE KITCHEN"

Looking toward a recreation program for the summer, Mr. John Greiner is now in Downers Grove planning various activities for young and old. There will be various base ball clubs with a regular crackerjack town team and a group of local teams to keep things going when our stars are not performing. The old base ball diamond on Franklin Street will be opened for the purpose. Every one who would like to play base ball please report to Mr. Greiner at as early a date as possible. There is a place somewhere for all lovers of this sport.

Then we want one or two first class girls' park base ball team. This is healthy and interesting exercise and the girls who want to try their hands at park baseball are encouraged to make their desires known. There will probably be as many as three park base ball fields marked out on the play ground behind the South Side School. Boys and girls are both invited to report to Mr. Greiner, who will find a place for all.

We hope also to have a first class volley ball court in operation before the end of the week, and a little later tennis courts, a good croquet court, and the little folks, sand piles, swings, slides, etc. etc.

In fact if any one, young or old, wants to play anything out-of-doors, from riddles to airplaning, tell Mr. Greiner, who will try to make it possible. He is here to try to help this town have a good time this summer. Use the evenings for a good time in the open air.

To perfect an organization behind the Recreation Director, a meeting is called for eight o'clock Saturday evening at Library Hall, to which all persons interested in out-of-door activities are invited. Officers will be elected and an organization for the summer—possibly a permanent organization—will be started.

This will be a good time to say what you would like to see along these lines in our village; to offer your views and influence for some of the things that may mean much, particularly to our youths; and to prove your good fellowship.

Men and women, boys and girls are invited to this meeting—Saturday at eight o'clock in Library Hall.

If you want to play or see others play, call Mr. Greiner.

DU PAGE CO. WILL HAVE Y. M. C. A. CAMP

Site Selected on Blackhawk Trail on Rock River Where Young Men Will Vacation.

During the last week in June boys and girls will have a splendid opportunity for camping on the Rock River between Byron on the Chicago and Western Railway, and Oregon, county seat of Ogle County on the Burlington Route. After a thorough investigation the County secretaries for Lee, McHenry and Du Page Counties, with State Secretary P. B. Read, has made arrangements for the use of a 5-acre tract on a high bluff overlooking a bend in the Rock river. It is evidently the site of an old Indian village, now partly covered with a beautiful oak woodland. Sufficient open ground is available, however, for baseball, volley ball and other games.

There is a gently sloping gravel beach on the river which insures safe swimming as well as good boating, both of which will be at stated times and under competent supervision. Evening entertainments, "song fests" and stunts as well as Bible study discussions will give the boys a balanced and profitable, as well as enjoyable program.

The camp will be called "Camp Blackhawk", owing to its nearness to the famous Blackhawk monument a few miles above Oregon. The camp insignia, to be worn only by those who score the required number of points, will be an emblem appropriate to this name.

The cost will be only \$8 for the eight days from June 23d to July 1st. Further information and enrollment cards should be obtained at once from County Secretary Wm. H. Ritchie, 103 Center Street, Wheaton, Illinois.

COUNTY WILL PAY HONOR TO SOLDIER BOYS

The Board of Supervisors in session on Monday appointed Supervisor Roger to call together mayors of cities and presidents of the villages of the county all of whom are to be a committee to make full arrangements for a fitting home coming county celebration for the returned soldiers of the World War.

This celebration will be held in September and as late as possible in the season in order that most of our soldier boys may be home and participate. It was the sense of the Board to expend at least two or three thousand dollars to make the occasion memorable. It may be in the form of a barbeque. Mayor Bowman invited the Board to consider Naperville while casting about for a fitting place to hold the demonstration.

In making the tax levy in September one of the items will be for the placing of bronze tablets on the second floor walls of the court house on which will be inscribed the name of every enlisted man from Du Page County in the late World War.

CLAUDIA DAINGERFIELD BELONGS TO AN ARISTOCRATIC BUT IMPOVERISHED VIRGINIA FAMILY WHOSE FATHER BECOMES ILL AND IT IS IMPERATIVE THAT HE GO TO NEW YORK TO BE TREATED BY A SPECIALIST.

Assisted by her sister and two brothers, she manages to procure the funds necessary for the journey, but there is no money left to maintain her father and mother in the city. Rudolph Weeks, who loves Claudia vainly, informs her that Burton Crane desires to lease the Daingerfield home for a season of shooting for \$3000 the only condition being that the negro servants be replaced by white servants. Claudia arranges with her sister and brothers to play the role of servants. Crane arrives with Solon Tucker, his lawyer, Mrs. Faulkner, a sister of the latter, and her daughter Cora, who is urged by her mother to "catch" Crane for a husband, she being unaware that her daughter is engaged to another man. Claudia is introduced to Crane as his cook and he instantly falls in love with her. This odd situation provokes numerous complications, and Claudia falls desperately in love with Crane. At a dinner given by Crane to some friends Claudia learns that her parents are coming home and she forgets to serve the various courses. Crane finds her in the kitchen and when he avows his love for her, she confesses the truth, whereupon he leads her out of the kitchen and takes her to his paternal home.

There's a new grave in the cemetery. Someone's dead, Mr. Crants if it was not enough for him.
