Household Accounting

In planning the family expenditures it is a wise provision to make a definite allowance to the savings account, for saving should be just as consistent as spending.

The First National Bank is a good bank for consistent savers. Here is a bank that assures the maximum of security for your savings; one that offers every possible currency and banking service to assist you.

FIRST NATIONAL BANK

AN ADVERTORIAL FOR LOCAL MERCHANTS

Little Dorothy once planted a garden. NEXT MORNING she went to look at her flowers. She thought they would grow up over night. Of course she did not understand that it takes time for seed to grow and develop into the beautiful blooms of summer.

Advertising is like planting seed. It will bring forth fruit in due season. (Continued two columns over)

EX-SERVICE MEN RECEIVED REAL CHOW WEDN'SDY

Dined and Danced in Kidwell Garage and Welcomed Under the Service Flag.

Downers Grove's ex-soldiers and sailors received a real welcome home under the service flag Wednesday night. The boys who left our village to serve Uncle Sam in the army, navy and the marine corps were told in no uncertain words how glad the community was that they had gone and returned. And for those whose blue stars have

ODDFELLOWS ATTENDED SERVICES AT S. ANDREWS

Annual Memorial Service for Departed Brothers Held Last Sunday Evening.

The Annual Memorial Services of Downers Grove Lodge No. 750 I. O. O. F. were held last Sunday evening at St. Andrews Episcopal Church, conducted by the Rev. Hugh M. MacWhorter, pastor of the church and a member of the Odd Fellows. Prayers were also said for Brother Marshall L. Statton, a member of the Or-

changed to gold, who will never be seen in the village they loved so well, there were prayers and the plots of all went to them where they sleep.

For the occasion the Kidwell Garage was turned into a banquet hall.

The cars and fixtures had been removed and Old Glory and the flag of the allies were hung everywhere. Lew F. Edwards and his corps of assistants had worked all morning to change the hall from a place of business to a place of beauty and they succeeded.

The flags both inside and out were the property of Marshall Field & Co. and were loaned for the occasion by Mr. J. W. Hughes.

Long tables were set and the boys attacked the "chow" with the same enthusiasm they showed in going after the Germans.

Besides those who had seen service in this war, the veterans of '61-'65, the speakers of the evening and gold star mothers and fathers were given places in the banquet hall.

The "menu" follows:

- Fruit Cocktail.....Skirmish Line
- Roast Beef.....75 Centimeter Barrage
- Baked Ham.....Biplane Style
- Mashed Potatoes.....Mass Formation
- Green Peas.....Machine Gun Bullets
- Combination Salad.....Over the Top
- Olives.....Anti-Air Craft Fire
- Pickles.....Army Mule Kick
- Parker House Rolls.....Hand Grenade
- Bread.....Doughboy Brand
- Nuts.....Camouflaged
- Strawberries.....Red Cross
- Ice Cream.....Archangel Front
- Cake.....K. C.
- Coffee.....Salvation Army
- Milk.....Y. M. C. A.
- Ice Tea.....Canteen Cooled
- After Dinner Candies.....S. A. T. C.
- Cigars, Cigarettes.....Smoke Screen

The dinner, which was surely the best public banquet they have ever

der, and a brief outline of the history of his enlistment, service and death in the A. E. F.

Thirty-one members of the Odd Fellows met at their hall, corner Main and Curtis Streets and dressed in their lodge regalia and headed by the American flag formed in column of twos and marched down Main Street to Franklin and on Franklin to the church. The members marched in and took their places while the flag was carried to the front of the church by Brother Frank Storey, following the choir. The Rev. MacWhorter followed carrying the Odd Fellow Service Flag, with its gold star, and placed it upon the altar.

Following several numbers by the church choir the pastor gave his evening sermon, which was delivered in a very impressive manner. The sermon was short and to the point and by its simplicity and stirring appeal to those present to lead Christian lives and be one of God's own children, it hit its mark.

The rendition of "The King of Love My Shepherd Is" by Shelley, sang by Mr. and Mrs. Coleman, Miss Mary Bryan and Mr. L. F. Edwards, was beautiful and held the congregation enraptured to the end.

The service for Brother Statton followed after which the entire congregation sang the Star Spangled Banner while Brother Storey held the flag aloft at the front of the church.

The Rev. MacWhorter deserves great credit for "putting his sermon across" in so short a time as to cause no discomfort to the congregation in the sweltering and proves that under able leaders, God's word can be brot before the people with telling effect in a short and well conducted service.

The new organ recently purchased by S. Andrews, poured forth its harmony at this service, the first since it was installed.

The house fly in the summer is not only a nuisance but a menace to health and life. They are responsible for the spoilage of more food in the homes than any other agency.

For real comfort and protection screen your windows and doors NOW while the flies are comparatively few in number and you will not be bothered with this pest.

At the same time add another room to your home by screening your porch. You will find that during the summer it will be used more than any other room. The comfort is worth double the cost.

Let the Lord Lumber Co. figure on making your home fly and insect proof.

BUILDING MATERIAL IS GOING UP!

In the last thirty days we have had two notices that the price of lumber will advance. However we anticipated this upward revision of price and prepared for it by buying futures at the prevailing prices months ago.

This means that you can still get your lumber here for repairs, additions or new building at the old price of lumber, which means actual saving.

If you put off that building job you have had in your mind, the cost later will be greater.

You have possibly heard men say: "I've tried advertising once. I never found that it did me any good."

They did not UNDERSTAND what advertising will do or what it will NOT do.

Advertising is like talking. What you say and how you say it—that is what counts.

Advertising is like planting seed. Give it time to grow.
