

H. S. FIELD IS BECOMING MORE POPULAR DAILY

The high school field is becoming more popular each day with the boys and girls of Downers Grove. New faces are seen practically in every session that the boys meet, showing that many are coming to the grounds to learn of what is happening.

Two playground ball leagues are being started; one already organized. The one with the older boys from 14 to 16 is called the Nut league and shall play in the evenings.

The other league is of boys 10 to 13, called the Corn Fed League; games to be played in the afternoon. There are also four teams in this league with names as follows: Huskers, Sowers, Planters and Threshers.

A track meet was held Wednesday, preliminary to the coming track meet on the 4th of July. Boys 10-13 competed in the afternoon, and older boys in the evening.

The triangular part of the meet shall be between the three troops of the Scouts and the individual part can be contested for by outside entries and members of the Scouts. This meet will give a good representation of the athletic ability of the boys.

A second tennis court has been laid out on Mrs. Prince's lawn to meet the demands of the increasing number of girls wishing to play. Many wait all evening without getting a turn. It is hoped in the near future that more courts will be available to help supply the need.

ARRANGEMENTS ARE COMPLETE FOR BIG BROTHER MEETING

All arrangements have been completed for the Holy Name meeting in the parish hall of St. Peter and Paul Church at Naperville on Sunday July 6th at 2:30 p. m. Rev. B. J. Schuette, Spiritual Director, has worked hard to round out the plans and his efforts will no doubt be repaid with a record crowd.

Catholic farmers in all sections of Du Page County as well as other Catholic people are very enthusiastic over the Holy Name Union proposed for Du Page County by Rt. Rev. A. J. McGavick, Spiritual Director of the Archdiocesan Union. Thru the Big Brother Committees that will be organized the farmers will be able to obtain farm help and at the same time they will be doing a Christian duty toward the needy boys.

Bishop McGavick announces that the Holy Name men of Chicago are ready to give all the assistance they can in getting the new Union organized and that a large delegation will be there Sunday afternoon.

All Catholic men are invited to this meeting and all Holy Name men are expected to be there.

Not One-Sided Proposition. But this is not a one-sided proposition. If the city is dependent upon the country, so is the country dependent upon the city. What the farmer raises is worth absolutely nothing to him unless he can sell it at a price that will pay him a fair return on the money and time invested in its production. The farmer, without markets, would be in the same fix as a storekeeper without customers. In almost every case the farmer is dependent upon the near-by town or city for a market for at least his perishable products. In the language of the street, it is a fifty-fifty proposition. The town
