REASONS WHY YOU SHOULD SEE

David W. GRIFFITH'S "The Woman Thou Gavest Me"

BECAUSE it is the greatest woman story ever written.

BECAUSE its author is Hall Caine, known throughout the English-speaking world as one of the foremost novelists, living or dead.

BECAUSE the story, in book form, has created a furor in this country and abroad.

BECAUSE the picture is filled to the gunnels with color, variety and vivid, sensational scenes.

BECAUSE the players, including Theodore Roberts, Katherine MacDonald, Britzi Brunette, Milton Sills and Jack Holt, comprise virtually an all-star cast.

BECAUSE the director is Hugh Ford, generally recognized as one of the greatest present-day producers of stage plays and screen dramas.

BECAUSE "The Woman Thou Gavest Me" is a Paramount-Artcraft Special, or, in other words, the very best that the brains and money of the Famous Players-Lasky Corporation can make.
