## ARMY TROUNCES NAVY IN BASE BALL SATURDAY

"Gobs" Defeated 26 to 9 in a Game of Hits, Runs and Bounces on North Field.

Ye old life was again instilled into the sporting veins of Downers Grove last Saturday when the Army met and trounced the Navy 26 to 9 in a baseball game.

It was a great contest for the spectators as there was something doing in every inning. The condition of the playing field, baked hard by the hot sun, made fielding difficult and the ball bounced as if made of rubber.

It was like the days of old to see Billy Shanabrook, Forest Nash, Ted Curtis and other notables in Downers Grove's baseball history clout the pill around the field again.

The game showed us that the same pep and ginger is still with us. One thing was shown that D. G. has the making of a good team providing Sunday ball was allowed. By combining material from both of these teams a nine could be organized which without a doubt could easily compete with any semi-pro team.

The prospects of playing Saturday ball were not a dream as Downers Grove does not possess the spirit of attending Saturday games. It takes a crowd to back a team—this is only possible to obtain on a Sunday. Think it over.

This baseball game was of many runs, more hits and still more, not errors, but just bounces. Once in a while a fly was dropped but mostly in one locality. There were no particular stars in the game except that the army was composed of stars. The navy had a good team but are like many major league teams—the break of the game never comes. Curtis of the "gobs" hurled a good game relying on the slippery elm quite a bit to stop them over and registered 8 strikeouts.

Forest Nash the tower for the army allowed but nine hits to the 24 collected off "gob" Curtis. Billy Shanabrook got the big hit of the game hitting a clean drive to the creek in left field. It was a safe 3 runner but Levi Mertz had a "buck" up for a home run, Billy missed it by two feet as Ehninger nailed him at the plate. The final score after seven innings of pleasure was 26 to 9 the army advanced.
