**WOMAN'S CLUB
BEAUTIFYING
THE CEMETERY**

The Civics Department of the Woman's Club has undertaken to clean and beautify the cemetery on Main Street. So far several dead trees have been removed and the shrubbery is being trimmed. If possible, the club members would like to keep the grass in good shape, also, as it will make a great difference to have this lot in the midst of our community kept in condition.

The amount of work to be done necessarily depends on the amount of money available. If any of our public spirited citizens are willing to contribute to the work, contributions will be used to good advantage, and a full report of work done will be made. Checks may be sent to any member of the Committee in charge of the improvement.

Alice M. Paine, Chairman.
Emma J. Miller, Treasurer.

**TRY THIS ON YOUR
UNTANGLER**

A Federal Judge in Brooklyn has decided that beer containing 2% per cent of alcohol is intoxicating. This question is becoming quite interesting.

The saloons hold this beer is not intoxicating, and they are therefore entitled to sell it. The persons who drink it believe it is intoxicating, which is the reason they buy it. But, although believing it to be intoxicating, the consumers say it isn't, and the saloons while saying it isn't believe it is. The Brooklyn judge who says it is intoxicating does so to uphold the right of Congress to say whether it is or not, but Congress hasn't said. Meanwhile the war, which was the occasion for the present prohibition beginning, is ended, and constitutional prohibition, which was to follow when war prohibition ended, hasn't begun.

**RINGLING BROS. AND
BARNUM & BAILY**

The world's biggest amusement institution, Ringling Brothers and Barnum and Baley Shows Combined, is to exhibit afternoon and night at Chicago, 9 days, Saturday Matinee, August 9 to Sunday Matinee, August 17.

The consolidation of the "World's Greatest Shows" and the "Greatest Show on Earth" in one circus of colossal size, constitutes the amusement surprise of the country. Nothing to approach this gigantic, new circus has ever before toured America. It has been formed by merging the pick and cream of all that was biggest and best in the two famous shows. It would be folly to attempt to enumerate its many wonders. Some idea of the enormous scale upon which features are presented may be had when it is stated that a quarter of a million pounds of elephants take part in a single act. In other words—six times as many of the big-eared giants than have ever before seen in one main tent exhibition. All else to be seen is in proportion. The arena stars embrace all the world's foremost circus performers. There are three hours of novelties and big sensational acts. The menagerie is far and away the most colossal ever traveled. For instance—a herd of eight giraffes are shown in place of the two or three shown in the past. The great tournament which opens the main tent program, is the most magnificent thing in pageantry yet produced in America. Hundreds upon hundreds of gorgeously costumed characters and beautiful horses take part in it. The morning street parade is the largest and most brilliant ever given anywhere. It is a stupendous, unparelleled that baffles description.

"WITH THE COLORS" From Du Page County

You probably know personally at least 150 boys from Downers Grove and Du Page County who donned the uniform of the army, the navy or the marine corps, for service with Uncle Sam during the World War.

Wouldn't it be simply great to have a picture of each one of them and their record of service? "It certainly would," you say.

Well, this is now possible as C. H. Staats is going to issue in the near future a book containing just that information. A picture of every boy from Du Page County and his record of service.

He is now taking orders for the book which will be ready soon. The price is very reasonable, \$7.50 per volume, considering the large expense of gathering data, making the cuts, and printing and distributing.

Every resident of the County will want a copy of this book showing who was who during the trying days of 1917-18 and everyone will have a chance to purchase one.

At the bottom of this adv. will be found a coupon, cut this out, fill it in, and attach check for \$2.50, the first payment. The balance, \$5.00 will not be required until the book is delivered.

There will only be one edition of this book printed and this edition will be limited in number so first to order will be sure of securing a copy.

"WITH THE COLORS FROM DU PAGE COUNTY" will be bound in leather and will contain besides the pictures of the boys departments, title pages in color by one of the foremost artists of America. It will have full page pictures of Wilson, Foch and

Pershing and will contain a detail map (showing the smallest of villages) of France and the battlefronts. This map shows all railroads, strategic roads, canals, and is one of the best published.

Mr. Staats has at his office, 37 North Main Street, Downers Grove, a dummy showing how the completed book will look and sample pages from other Honor Rolls showing plates and records of service. You are invited to come to the office and look these over before leaving your order.

Remember the edition of this book is limited so ORDER EARLY. It will be one of the best souvenirs of the war and will be treasured for generations.
