**WHEATON HELD PLAY FESTIVAL UNDER COUNTY Y**

On Monday evening hundreds of Wheaton people gathered at the high school for a "Play Festival" under the direction of the County Y.

While the smallest children were playing "rabbits' nest" and the older girls played "spoke relay" and "number change" the boys played "skin the snake" and "swat tag," while the young men played volley ball under the trees.

The older men meanwhile had some exciting contests pitching horseshoes, quoits, while other people enjoyed the fun watching.

Finally about dark the whole group gathered about the southwest corner of the school and joined in singing the popular and patriotic songs. A vote was taken that everybody had enjoyed a good time and wanted to have another such evening of sport before the days get too short.

Other Du Page county towns will probably have play festivals before

long under the direction of the County Y. M. C. A.

A recent meeting of representatives of various churches with their pastors at the invitation of the county secretary resulted in a careful consideration of a plan of action and a program suggested by the Y. M. C. A. for the older boys and young men of wheaton. A continuation committee was appointed to study the problem and the field and report at a future meeting.

The Y. M. C. A. Camp on the Rock river starts a week from today, July 22. Registrations should be in by Secretary W. H. Richie at Wheaton by Monday noon. The schedule of camp calls for swimming twice a day, games, nature study, woodcraft, Bible study, and hikes, while the evening entertainments include a marshmallow roast, a stunt night, mock trial and a closing banquet.

Visitor's day is Friday, the 26th and boys may return by auto with visitors if they prefer not to stay and help break camp Saturday morning. Du Page County expects to send some of its keenest boys for this toning up vacation for the week just before school opens.
