SULLIVAN TELLS ALL AT TRIAL OF BANK BANDITS

(Continued from Page 1) Gibson, Hammil and Johnston pleaded not guilty and their lawyers did all in their power to confuse the witnesses. By every legal quirk and every fine shading of meaning they tried to shake the testimony.

Sullivan Confesses. That their efforts will prove unavailing is the belief of those who have watched the trial from the start. Sullivan, the youngest of the gang, has confessed.

He threw a bombshell in the ranks of the defense on the stand Wednesday afternoon when he told the story of the robbery in its smallest details. He told how the men stole the car in which the trip was made. How Hammil had said it was "easy pickings" and how he, Hammil, Gibson and Cavanaugh who is still at large, entered the bank with drawn revolvers and took everything in sight.

He corroborated Singleterry's statement that "Hammil held the bag, while the rest dumped in the money and securities." Finally he told of the get-away and the division of the spoils of which Hammil took the lion's share.

When questioned by the prosecutor, Sullivan admitted that they were armed and when shown the rifle carried by the bandits in the car said they were prepared to kill if anyone tried to stop or capture them.

States Attorney Hadley is being assisted in the prosecution by County Judge J. L. Rathje and Attorney John Leedle of West Chicago.

It is thought the case will go to the jury this afternoon.

held at Peoria in October. Everyone joining before the national convention at Minneapolis, November 10, 11 and 12 is to be a charter member and by that time it is expected that Downers Grove ex-service men to the number of nearly 200 will have been enrolled.

A circular issued by the Illinois State headquarters of the Legion was read at Monday's meeting. It urged all posts to get into the fight to reduce the cost of living and to place ex-soldiers and sailors in their old or better jobs.

PARENTS RESPONSIBLE FOR REGISTRY OF YOUNG

Springfield, Ill., August 27, 1919.—There is a pressing need for birth reports in the State of Illinois. We now have splendid laws, and all that is needed is a proper regard for law enforcement. To that end the cooperation of all persons pointed out by statute is earnestly requested.

The law states: "It shall be the duty of the attending physician or midwife to file a certificate of birth, properly and completely filled out, and in a form prescribed by the State Department of Public Health, with the local or sub-registrar of the district in which the birth occurred within ten days after the date of birth. If there be no attending physician or midwife, then it shall be the duty of the father, or mother, or householder where the birth occurred, to file such certificate of birth." IT IS THE DUTY OF PARENTS TO SEE THAT THE LAW IS CARRIED OUT.

It is the right of every child born in America to have the fact of its citizenship made a matter of official record for many reasons. The Division of Vital Statistics, Department of Public Health, has prepared a Directory of Registrars of Vital Statistics with whom births, deaths and stillbirths must be filed in accordance with law. It sets forth the rights of the child to be safeguarded by a birth certificate, and the rights of the heirs of the deceased to be maintained by means of death certificate. These alone justify the demand for the certificates, to say nothing of the statistical value of the reports to the state and nation.

This pamphlet contains not only a complete list of the registrars of the state, but complete instructions to registrars, and much valuable information to physicians, midwives and undertakers, any one of whom may secure a copy by addressing a request to the Capitol Building, Springfield, Illinois.

FUN FOR ALL AT RECREATION ASSN. GROUNDS The past week has been one of great enthusiasm among the children of Downers Grove due to the new equipment placed on the High School grounds. With swings, rings, a sliding pole, teeter ladder, high bar, and above all the slide, they find their fun. The line up has been continuous for a chance to slide down the toboggan, while others are changing from one piece of apparatus to another. Even the little tots learn to use the slide.

We wish to encourage those children who have not been on the High School field to come and have some of the fun that the others are enjoying. The parents are also kindly invited to visit the field and see what the children are doing. Along with the play of the children, the volley ball game still holds its enthusiasm, while the young men are playing indoor ball. The girls also enjoy the group games as a change from the playground apparatus.

Hare and Hound Chase. Last Friday, August 15th, the boys competed in a Hare and Hound Chase through the woods. Ten boys started off about five minutes before the hounds. As they ran they left a trail for the hounds, to follow, which was scented for about three-quarters of an hour before the hares were overtaken. After winding through the south woods, the hares were caught passing through Bryan's woods. This game carries with it many exciting experiences and thrills. It is a splendid outdoor game for boys.

ENTIRE STAFF CALLED TO ARMS IN RACE RIOTS G. Whittier Gale & Co., Real Estate was wiped out for two weeks by the call to arms. Mr. Gale, Tom Roberts, Marvin Gilmore and Harry Randall—all the men in the concern, the complete staff—are members of the militia and all were under arms in the riot zone.

This is the only concern, so far as is known, that was in the militia to the extent of its entire man power. They are all on duty again, however, and trying to make up for lost time. (Oak Leaves)

WHEATONS SECOND COMMUNITY SING ANOTHER SUCCESS

The second play festival and community sing held on the Wheaton high school grounds last Monday evening was another success, with old and young enjoying games of all kinds, from Jacob and Rachel and Dodge Ball to indoor baseball, volley ball and quoits. At about 8:15 the people gathered in front of the Longfellow school where the piano was lighted up by auto lights, which also enabled many to read the song sheets handed out. Dr. DeWitt Durgin Lash, professor of music at McCormick Theological Seminary, Chicago, led the singing and Mrs. J. F. Conley accompanied seemed to enjoy singing together, and the impromptu solos by Dorothy Higgins and little John Bowcr were a real credit to the youngsters. Mr. Lash sang as a tenor solo a splendid patriotic song he composed at the beginning of the war.

Camp Blackhawk starts this weekend and Du Page County is represented by a large number of its strongest leaders in the high schools. The marshmallow roast scheduled for Saturday evening with camp fire stories and songs promises to be a jolly occasion for all. The evening entertainments and program of games and athletic events are under the direction of our county secretary, W. H. Richie, of Wheaton. Friday, the 29th, is visitors day. Send ahead and order a plate to be on for you!

The County Y. M. C. A. expects to promote play festivals and community sings during the first two weeks of September in Glen Ellyn, Lombard, Hinsdale and perhaps Downers Grove. Local leaders will be enlisted to run off the games in cooperation with the County Secretary.
