TRY THIS TEST WITH LUXOR WINDOW SHADES

Sample of Luxor Shade

Wad it up

Soak in Water

Smooth out

Luxor not Damaged

First—Take a piece of Luxor Shading. Prepare to give it the roughest treatment ever given a window shade.

Second—Crumple it up thus. Then roll it up in your hands, crunch it, wad it up.

Third—Soak the shade in water. This treatment will show up pinholes and cracks clearly.

Fourth—Now smooth out the shade. Hold it up to the light. What happens?

Luxor Shade has no cracks or pinholes. That's why we recommend them to our customers. They will stand more rough wear than other shades. Come and see us about those shades you are going to buy.
