"DOWN STATE" OP-
ENS DRIVE FOR SAL-
VATION ARMY FUNDS

The Salvation Army Home Service
Drive for the State of Illinois, outside
of Cook County, was formally started
at a meeting held in the Capitol at
Springfield last Wednesday. Repre-
sentatives from virtually every county
in the State were present, as well as
district and county chairmen.

Lieut. Gov. Oglesby, in the absence
of Governor Lowden presided and en-
dorsed the movement. He read a let-
ter from the Governor to F. S. Pea-
body, State Chairman for the Salva-
tion Army in charge of the drive.

Mr. Peabody outlined the plan of
campaign and urged an organization
that would cover districts, counties
and precincts. He also said that the
object of the drive was to raise \$2,
250,000 of which \$1,500,000 was to
be raised in the county of Cook, and
the balance in the State; that among
other things, the money was to be
used for a New Rescue and Maternity
Hospital with Training School for Salva-
tion Army Nurses, three new slum
center buildings, addition to Young
Womans Boarding Home, Boy's Home
and Trade School, a summer vacation
home, new Salvation Army halls, and
relief centres all over the state.

In his introduction of Mrs. Thomas
Estill, Mr. Peabody spoke of the self-
sacrificing work done by the Army
before the war, during war and their
earnest endeavor to accomplish great
results than ever since the war.

Staff Captain C. A. Ryan gave in
more detail the work of the Army and
the use to which the funds now being
collected will be put.

State Director R. Dunbar went fully
into the details of the organization
for the collection of funds. Speeches
were made by the following gentle-
men endorsing the work: Webster H.
Rapp, State president Elks Associa-
tion; Wm. Hutton, member United
Mine Workers of America; A. Judge
Cook of Perry county, Col. G. F. Sea-
man of Taylorville for the American
Legion, Chas. L. Schwartz of DuPage
County. At the conclusion of the
meeting a rising vote was taken en-
dorsing the efforts of the committee
and pledging the earnest support of
all present to make the campaign a
complete success.

"LOVE INSURANCE"
Dicke Theatre Tuesday, Sept. 23.
Dick Minot is a young insurance
agent in the employ of the famous
Lloyds company. He is commis-
ioned by his employer to go to San
Marco, Florida, and watch over an affair
between Lord Harrowby, a supposed
nobleman, and Cynthia Mewrick, an
American heiress. Harrowby has taken
out a heavy policy insuring his
marriage to the girl, and it is the
work of Dick to promote this wed-
ding and thus for his company save
the amount of the policy.

Meantime, "Lord" Harrowby is hav-
ing his troubles. He has smuggled
a diamond necklace for Cynthia thru
an unknown jewel thief. The com-
plications arising from this and his
bet with Lloyds concerning his mar-
riage are causing him much anxiety
and worry. But this isn't enough.
Jenkins, former valet to Harrowby's
elder brother, appears on the scene
with blackmail as his motive, and im-
personating his erstwhile master, he
causes all kinds of trouble for Lord
Harrowby.

Thus the matrimonial ship again
sails on a calm sea. But Fate does
not intend that the Heiress shall mar-
ry the young nobleman. Just as af-
fairs are about to proceed again, Wall
a member of the blackmail crew, pro-
duces a copy of Harrowby's insurance
policy with Lloyds. This totally dis-
rupts all plans for the wedding, the
heiress furiously denouncing Harrow-
by, telling him she will have nothing
to do with a man who will bet on
their wedding. Dick also comes in
for a share of her wrath for his part
in the affair. He starts disconsol-
ately for the north.

The next morning Dick is surpris-
ed to find that the girl and her father
are on the same train, and he doesn't
hesitate to let them know of his
presence. They soon come to the vil-
lage where Dick and Cynthia had
their little flirtation while on their
way to Florida. The scenes bring
back memories which they can't re-
sist and the girl readily accedes to
Dick's suggestion that they get off
and take another ride in the native's
car. You can guess the rest.

Food Value of Nuts.
Pound for pound, walnuts or butter-
nuts equal in food value a juicy steak,
contain more protein (tissue building)
food than white bread and but one-
third less than eggs. In these days
of food scarcity and high prices it is
likely that the vast crop of native
American nuts will receive the recog-
nition that they deserve.—Popular
Science Monthly.
