NEWSY NOTES FROM LISLE AND BELMONT

Church Notes.
Sunday School 10:00 a. m.
Church Service, 11:00 a. m.
Evening Service, 7:45 p. m.

Mrs. John Staley and daughter Clara, are staying at Benton Harbor, Mich., for two weeks. Clara is taking treatments for nerves and is using the mineral baths.

Mr. and Mrs. Herman Schultz are taking their first real vacation from the farm and are enjoying themselves at Mount Vernon, Ohio.

The farmers in the vicinity of Lisle organized a protective association against hunting, mushroom gathering, or other trespassing. The following are the officers: C. Lacey, president, F. Myers, first vice-president; L. Pelling, second vice-president; J. L. Reidy, secretary and F. Hinterlong, treasurer. They have also appointed 3 deputies, who are on the look-out for any one trespassing. Trespassing has got to be such a nuisance that something had to be done not only to protect the game but also the cattle as people leave the gates open and the cattle get into the cornfields or on other people's property.

Mr. and Mrs. A. Griffin left Monday morning for Chicago to spend a few days with their son Arthur, and other relatives and friends before starting for England. They will leave New York October 25th on the S. S. Adriatic, for Southampton.

Mr. J. Young of Aurora, spent Sunday at the home of Mr. and Mrs. Geo. DuMoulin.

Mr. Brokemyer, who had three ribs broken and was bruised by an attack from a bull on the Joy Morton farm, is getting along nicely and will soon be able to be up. The bull, a very valuable animal, was sick at the time of the attack and has since died.

Mrs. F. Schultz and Mrs. Schling visited at the home of Mr. and Mrs. F. Schultz Jr. at Downers Grove, Tuesday.

Mr. and Mrs. Walter Huggins of Chicago, and daughter, Mrs. A. Mance of Toronto, Canada, visited Mr. and Mrs. A. Porter and Rosella Sunday.

At the business meeting held at the church for the election of officers to fill the vacancies caused by the leaving of Mr. and Mrs. Griffin, the following were elected: Mrs. Thos. Stanton as deaconess and Rosella Porter as the clerk and at the Ladies Aid election, Mrs. Howard C. Barker was elected as treasurer to succeed Mrs. Griffin.

Mr. and Mrs. A. Schling of Royal Oak, Mich., is spending several days at the home of Mr. and Mrs. Fred Schultz. Mr. Schling is doing some carpenter work on the house which will make a big improvement. Mrs. Schling is a sister of Mr. Schultz.

Mrs. Geo. DuMoulin was pleasantly surprised last Wednesday when her parents, Mr. and Mrs. Bucklin and aunt, Mrs. Hutchinson and Mrs. Swail of Belvedere, walked in. They had a nice visit and returned to their homes on Thursday.

The Other Side.
"Tell me to hand it to your wife for that beautiful bonnet she's bought."
"That's all right for you to hand it to her, but I've got to foot the bill."

GIVE THE LITTLE ONES A CHANCE SAYS T. B. ASS'N.

Give the little ones a chance. This is the time of the year to start open air schools and open window rooms. Classes for the open air should begin in the fall, before the real cold weather sets in so that the boys and the girls may become accustomed to outdoor study. It will work wonders. Next Thursday is Fire and Accident Prevention day throughout the state. While fire drills and other exercises will be held in many of the schools, The Illinois Tuberculosis Association sends out a special appeal to the teachers to devote a part of the day to a health program. This is in line with Governor Lowden's proclamation to fittingly observe the day.

In the public schools of every city and town in Illinois, there are pupils who are physically unfit for the ordinary school room. They need to take into their little lungs with every breath, the sweet pure air of the great outdoors. By all means give them a chance. Among them are potential writers, statesmen, leaders of the men and women of tomorrow. Without the chance for better health through open air study, many of them will die while they are yet children.

To help guard the lives of these little citizens the Illinois Tuberculosis Association is preparing to launch the biggest drive of Red Cross Christmas seals in its history. The work of the Association and its 48 affiliated societies, is carried on chiefly by funds raised through the sale of Red Cross seals. The sale starts December 1st.

KEYS—THEIR USE AND ABUSE

Concerning the Inventions of Locksmiths and the Disadvantages of Being Locked Out.

The key is an acknowledgment of man's depravity. If every man respected his neighbor's goods and privacy, we should not be bothered with carrying keys, in bags or pockets, hunting for them in a panic, and frequently losing or mislaying them. We have the care of a door key, an office key, a trunk key; a safety-box key (if we are coupon-cutters); our locker key; if we are sports, and automobile and garage keys, if we own these luxuries. Keys naturally multiply with our outward prosperity. Diogenes, living in a tub, was a happy man, as far as the responsibility of keys went, and although some people might prefer more roomy apartments for a permanency, at least Diogenes wasn't obliged to turn his toga pockets inside out in a vain attempt to locate his key—when returning to the tub after a brief sojourn at the club.

Key-rings, upon which you can concentrate your responsibilities, are sometimes desirable; on the other hand, if lost, the whole bunch must be replaced. I consider the mode of wearing the bath-house key on a rubber ring around the neck, preferable to any other method. It absolutely cannot be lost, unless the bath is eaten by a shark.—Eather G. Babson, in Boston Transcript.

Well Named.
"The convicts who escaped went through this window, where the bars are filed."

"Then if the jail had only been the post office, that would have been the general delivery window."
