LIBRARY NOTES

The Kindergarten teachers will resume their weekly Story Hour Tuesday, November 18th at 3:30, the children of the first four grades are invited to these delightful afternoons and later a number of special afternoons will be arranged for the older children. This week is Children's Book Week all over the country. There will be lectures every afternoon at the Chicago Public Library on topics relating to children's literature. The Kindergarten Extension Association has put in a number of children's books in honor of this occasion so that when the younger children visit the Library they will find some treasures on their own small table-top picture books and stories of many kinds. Next week under Library News will be published a letter from a Junior in the Kewanee High School on a boy's use of the Library, telling how his interest in Astronomy was aroused and of the pleasures he got from his experiments in making telescopes. Miss Anna May Price, secretary of the Illinois Library Extension Committee, spent Wednesday in Downers Grove on the invitation of the Library Board. She talked at the High School in the morning and expressed a desire to have some of our students take up the profession of Librarian, explaining what a field of usefulness there was in the work as well as being a good financial undertaking. After a visit to the Kindergarten a very nice luncheon was served in Library Hall by the wives of the Library Trustees, the two Librarians, Mrs. Kelly, president of the Woman's Club, Mrs. Sherman, chairman of the Home and Educational Department, Mrs. Unger of the School Committee, Mrs. Barnhardt, chairman of the Library Committee and Miss Morse. Miss Price and Mrs. Butler as guests of the hour. In the afternoon Miss Price spoke before the Home and Educational Department of the Woman's Club and conducted a tour of the Library, she called attention to the books which were particularly helpful and gave a very instructive talk, she also mentioned the lack of certain books which were on the list to be bought after the Library drive. Two new magazines are to be added this month. The New Republic and the Radio Amateur News, a magazine of special interest to boys. A list of books given to the Library by Miss Morse and new ones purchased will be published next week.

"EVANGELINE." adv. "Amen Corner." The phrase "amen corner" is said to have originated in London, where, at the end of the Paternoster row, the monks at one time finished their recitation of the "Pater Noster" as they went to procession on Corpus Christi day at St. Paul Cathedral. They began in Paternoster row with the Lord's prayer in Latin, continuing it to the end of the street, and then said "amen" at the corner of the row. As used in this country the phrase describes the corner of a church where the elderly members sit and pronounce the word "amen" at intervals.
