

LARGE CROWD SEES LOCALS BEAT BERWYN

Hard Fought Game Won Last Sunday by 10 to 7 Score—Cline Breaks Ankle

The hitherto unbeaten Berwyn eleven met their Waterloo last Sunday afternoon on the local gridiron when the Downers Grove town team took them into camp after a hard fought game, the final score of which was 10 to 7. More than 1000 people witnessed the contest, one of the largest crowds ever present at a local football game.

Besides the local and visiting rooters from Berwyn, many people came from Hinsdale and Naperville to see the game as neither team had lost a contest this season.

Both elevens started with a world of confidence. Berwyn men more so than Downers Grove, as they had the advantage of about ten pounds of weight a man.

In the first quarter Downers Grove kicked to Berwyn, the ball being down on our 40 yard line. Berwyn gained up to the thirty yard line, when they lost the ball on downs to the locals who made constant gains on end runs. Cline, Curtiss and Grush carrying the ball, assisted by strong interference. End runs and line plunges made the greatest gains in this period which came to a climax when Curtiss booted an almost perfect drop kick between the goal posts from the thirty yard line.

Berwyn then kicked to Downers, Cline receiving the ball and ran 40 yards. Ball went to Berwyn on a fumble on our forty yard line. After six or seven downs, Red Jorgenson, of Berwyn, plunged thru the line for a run of thirty-five yards and a touchdown. They then kicked goal making the score 7 to 3 in their favor.

In the second quarter Downers again kicked to Berwyn who was downed on our thirty yard line. After being penalized for an off-side play, they failed to make their yardage, Downers taking the ball. After making repeated gains up to within one yard of the goal, the locals apparently ran into a stone wall.

Two downs and they lost nine yards. Here the respective rooters nearly went crazy. So great was the noise from the side lines that it was with difficulty that the men could hear the signals.

After a short conference, the teams lined up and the ball was passed to Curtiss who ran around the left end for a touchdown. He then kicked out. Grush receiving and Curtiss kicked goal, making the score 10 to 7 in favor of the locals.

This proved to be the final score of the game as the second half was scoreless. Try as hard as they would neither side could score against granite defenses.

Davenport played an exceedingly strong game, getting into every play that came his way. Washburn and Brown showed good form in breaking up Berwyn's forward passes.

Berwyn used almost as many subs as the regular line-up in their effort to win. Two teams so closely matched, do not play together very often and every spectator went home well satisfied with the afternoon.

In the last half minute of play, Cline, Downers Grove's right half, had the misfortune to break a small bone in his ankle which necessitated a trip to the hospital Monday morning for an x-ray. This was the only accident of the afternoon's hard playing.

Downers Grove lined up as follows:

- R. E. Kingsley
- R. T. Roth
- R. G. Brown
- C. Washburn
- L. G. Dewey
- L. T. Sparrow—P. Vix
- L. E. Davenport
- Q. Curtiss
- R. H. Cline—Bruno
- F. B. Downer
- L. H. Grush

Home.

Home cannot be given us. We may be given a house, a place to eat and sleep. This is not a home. A home is a place of love and rest and peace. Love and rest and peace must be deserved, must be earned. Nobody can hand them to you as so many packages. They are matters of reciprocity. If you have none to give, there will be but little for you to receive.—Western Methodist.

Cococa, from the leaves of which cocaine is produced, was known among the Incas as the "divine plant" long before the western world was thought of in the East.

NOTES OF THE BOWLING LEAGUE

Bertolin's Cubs are still in the lead. Last Friday night however they lost two games out of three to Kidwell's Speeders which brought down their lead a little.

Even standing room was at a premium at this game and almost the entire crowd were pulling for the Speeders. It was a case of the leaders against the tailenders in which the leaders bowed down to defeat.

Staiger and Foster were the only two men present on their team last week, losing three games. Pfaff, Iehl and Bunning were absent which accounts for their loss.

Dad Walters and Dicke are in their old time form having averages of 155 and 159 for twenty-four games.

H. Beidelman showed some class last week as also did Singletery. Dad Swearingen says, "Watch them Pace Makers."

Three teams are tied for second place, and two contesting for the tail-end position.

Remarkable Tattooing.

COMMUNITY THANKS-GIVING SERVICE WELL ATTENDED

The community Thanksgiving service held yesterday at the First Evangelical church under the auspices of the co-operating churches of the village was one of the best attended services held on similar occasions in many years. This was due in part to the splendid spirit of the men of the American Legion which led them to postpone the hour of their ball game when they learned that it conflicted with the time set for this community service.

The ministers of the five churches were all present and each had some part in the service. The Thanksgiving message was delivered by the Rev. Thomas J. Owens, pastor of the Congregational church. He read a Psalm of Thanksgiving and proceeded to point out some of the blessings of life today. After enumerating some of these he emphasized the three-fold responsibility which rests upon us today—International responsibilities which unite the peoples of all the world in a helpful brotherhood. National responsibilities which call us to champion righteous ideals in our national life and strive for greater brotherhood within our own beloved land and country. Local responsibilities which call for greater co-operation of the churches and the community and closer fellowship of the churches themselves right at home.

A vocal trio, "Praise Ye the Father" by Gounod, was beautifully rendered by Mrs. Nansen and the Misses Heintz and Diener. Mr. Clarence F. Dissinger held the audience spellbound by his skillful rendition of a beautiful violin solo. The President's proclamation was read and the service closed by singing the doxology of Praise to God.

CHICAGO DIOCESE EPISCOPAL CHURCH TO SPEND \$500,000

Announcement that the annual sum of \$500,000 for the next three years is to be spent in Chicago diocese by the Episcopal church, has been received with interest by church and social service workers of this vicinity. The official quota just made public by Bishop Charles P. Anderson, reveals a budget which covers development and extension of social service, new missions, charitable work and religious education.

Fifteen separate projects are to be financed by the campaign in this diocese. An original feature in community service which is expected to cost approximately \$100,000 will be a community house in the nature of a "social clinic" in connection with the Western Theological Seminary at 2720 Washington Blvd., Chicago.

The full budget as finally approved by the two Bishops, the Diocesan campaign committee and the Diocesan Board of Missions includes other social service work such as that in the penal institutions of Cook County and follow activities among discharged prisoners. Seven thousand dollars a year for three years is sought for this item.

The intensive drive for total pledges of \$1,500,000 in the Chicago diocese to be paid up at the rate of \$500,000 a year will occupy the week of December 7 to 14. The funds will be divided equally between the diocese and general work of the church outside the regular annual budgets of the parishes.

MRS. WINIFRED KELLY

Mrs. Winifred Kelly, mother of Thomas F. Kelly, of North Forest, died at the home of a son at Greybull Wyoming, last Wednesday evening after a short illness.

The remains were sent to Brownsville, Minn., her birth-place and her home for many years where she was buried Tuesday by the side of her husband.

Mr. and Mrs. Kelly left here Saturday evening to attend the funeral.

Victories of Every Day.

There are great victories and struggles and noble acts of heroism done every day—in nooks and corners, and in little households, and in men's and women's hearts—any one of which might reconcile the sternest man to such a world, and fill him with belief and hope in it.—Dickens.
