

CLEAN 'EMS TOOK THREE FROM THE LEAGUE LEADERS

Clarke's Clean 'Ems went after Bertolin's Cubs, the leaders in the local bowling league, last week and took three straight games.

The blow to the pride of the Cubs, who thought themselves an unbeatable combination, was worse than losing the games. The alleys were packed with rooters for the match and it was noticeable that the Cubs had but few adherents among those present.

In the match between Swearingin's Pace Makers and Kidwell's Speeders held last Friday the Pace Makers copped three straight. The bowling of Alderson was directly responsible for the defeat of the Speeders. He got three fine games, 211, 200 and 198 for an average of 203.

His team mates also bowled fairly well and they marked games of 814, 852 and 801, for an average of 822 1-3.

One of the noticeable features of last week's rolling was that every team beaten lost all three games.

ALL THE WORLD IS NOW YOUR NEIGHBOR

To the Mothers of Downers Grove

KEEPING house is more of a regular business than ever before. The successful house-keeper must manage her business the way the man manages his—she must "know" markets, prices, food, clothing and the thousand and one things entering into domestic efficiency; she must know how to make things "go farther"—she must read the daily news on her "business" as the man reads his.

Keeping house with The Chicago Daily News is not only "good business," but good measure. The home-manager gets a big budget of world-news, stories, pictures, humor, special articles and features—for the same 15-cents-a-week she gets "business" and entertainment combined.

The Woman's Business "The Ways of Health—Little Lessons in Right Living"—A department edited by Dr. Wm. Brady, through which Dr. Brady answers all inquiries from readers of The Chicago Daily News concerning health, hygiene, diet, etc.

Marion Holmes conducts a department through which she answers all inquiries concerning domestic science, cooking, table service, home entertainments, and offers help from other readers to those who are in need, etc. Dorothy Dix gives daily advice to the young about love, marriage, education and kindred subjects "Health Side of Sports"—A department written by Dr. Andrew A. Gour, through which the woman readers of The Chicago Daily News are kept in better physical shape to meet their household duties. Daily Fashion Hint, different every day and covering every detail of a woman's apparel during the year. Two pages every day are set aside for Women's News. The Woman's Entertainment Dr. Frank Crane's daily editorial with its splendid and uplifting advice to the mother and every other member of the family. "More Truth Than Poetry," by Jas. J. Montague, a daily "skit" in rhyme by this clever writer. "Little Benny's Notebook," for the children, and, we suspect, many grown-ups. "Hit or Miss," a column-a-day of odds and ends, with a laugh in every paragraph.

Walt Mason's daily prose poem. "Bedtime Stories," by Thornton W. Burgess—every day. Famous American Novels, an installment every day. "Mutt and Jeff," by Bud Fisher—a strip a day. Other famous humorists contributing regularly to The Chicago Daily News: Rube Goldberg M. M. Branner C. A. Voight Hungerford and many others. The Chicago Daily News frequently prints 25 different "funny" pictures a day. The Woman's Knowledge The woman who is now a "citizen" no less than a man will find in every issue of The Chicago Daily News the latest cablegrams from our Special Foreign Correspondents over all the world; all the foreign and domestic news collected from all over the world and from the United States every day by The Associated Press; special articles by famous writers and an editorial page designed to interpret every phase of American home and political life.
