MANY LIVES ENDANGERED

Thousands of Deaths Due to Neglected Colds

Doctors declare that every winter thousands of lives are needlessly sacrificed through neglect of what at first is a simple cold. There is grave danger in allowing a cold to "wear off." It is more often likely to wear away the lungs and start the development of pneumonia or other serious throat or lung trouble. At the first sign of a cold you should start taking Father John's Medicine, which is a doctor's prescription with more than sixty years of success in the treatment of colds and coughs. The gentle laxative effect of Father John's Medicine drives out impurities and the tonic food elements build new health and strength to ward off further attacks of illness. An important point to remember is that Father John's Medicine is guaranteed free from alcohol or dangerous drugs in any form, so it is a safe medicine for all the family to take.

Honest John Cured All My Foot Troubles. It was certainly my lucky day when Mr. Smith, my druggist, recommended Honest John. My corns just melted away all the time. I tried everything I could think of with no result. My feet were so sore on the least of my walks. Since using Honest John Plaster I can wear the common shoes with perfect comfort. On your way home get a package of Honest John Corn Plasters. Don't suffer longer. The best druggist everywhere will and recommend Honest John. If your druggist can't supply you, send 25 cents package to HONEST JOHN, INC., 215 N. Dearborn St., Chicago, Ill.

BIRDS MAKE APPEAL FOR XMAS DINNER We hear that there is to be a Community Christmas Tree in our town Christmas evening. All of the little birds have been wondering if there would be any thing on that tree for hungry birds. Guess not, for its just for folks and not birds isn't it? But we feel sure that you will think of us on Christmas day and see that we have a real Christmas dinner of seeds and grain, bread crumbs and suet. Sounds funny for a Christmas dinner but nevertheless its just what we would like to have. You know its just awful to be hungry, did you ever try it? Well don't unless you just have too. We wish you a very Happy Christmas and we will be round Christmas morning to let you see that we have not forgotten you and in our little hearts we cherish a hope that you will remember your little feathered friends.

BEIDELMAN LEADS LEAGUE WITH 246 COUNT FOR HIGH

Bertolin's Cubs and Klein's Colts Tied For First Place as Bowlers Rest During Holiday Season. Harold Beidelman got a count of 246 in the local bowling league last Thursday night which makes him high man for the season as the bowlers are resting over the holidays. This finish in which event "Bike" will count is liable to stand up until the draw down the high score first money. With "Bike" going as he was his teammates, Swearingen's Pace Makers, came through with marks in the 160's and they scored the team high score for the season, 906. As the league shuts down until January 6th, it finds Bertolin's Cubs and Klein's Colts tied for first place. Each team has won 22 and lost 14 games. Only eight games separate the leaders and tailenders. Three teams, Tholin's Hatters, Mochel's All Stars and Kidwell's Speeders, are jostling each other in an effort to keep out of the rear position. They are tied at 14 won and 22 lost for last place. Grant Nash is back and will probably bowl with some team, it may be Clarke's Clean 'Ems. Bill Vix is taking Safransky's place with Bertolin's Cubs. The bowling league will have a meeting in Dicke's Hall on January 6th at 7:45 p. m. at which time the secretary will read a report of the financial standing of the league. Schlauder, the "big man" with Klein's Colts, is still eating Klein's "pok chops" and knocking them dead. "There is a universal saying at the alleys that Schlauder has a pretty ball, control 'n' everything and all he lacks is speed. Harold Clarke was over last week and helped his teammates to beat the leading Cubs three games. After the series he carried Brown, the three fingered wonder, out on his shoulders owing to Brown's good rolling. The season is almost half over. Following is the averages of the ten high men thus far. Bunning easily leads with 188, which is some average.

BOY SCOUT NOTES

Scout Executive of this District, C. H. Barnes, met vice-president W. H. Ray, Prof. Feasley and the Scout-Masters Monday evening and also made it the occasion of visiting Troop No. 1. The Boy Scouts of Hinsdale and of Downers Grove expect to go on a hike Saturday under the supervision of Scout Executive C. H. Barnes and their respective scout-masters. They will hike toward some meeting point where they will prepare their own lunches. After this they will have games and tests followed by plenty of hot chocolate, and then return to their homes. The American Legion at their first annual convention held at Minneapolis, November 10-12, adopted only two resolutions. One of these endorsed the Boy Scouts of America as follows: "Resolved, That the American Legion heartily commends the principles and achievements of the Boy Scouts of America and recommends that each post assist the boy scout troops in its community in whatever manner practicable." During the three days of the Convention nearly 500 scouts were on duty as ushers, messengers, guides, and at information bureaus. "Scouting" states that "The American Legion in co-operation with the Executive Committee of the Boy Scouts of America will urge local posts of the legion to help scoutmasters by recruiting volunteers among the returned officers and soldiers, and to push an aggressive campaign through routine for Americanization and citizenship training."

At the Methodist Episcopal Convention recently held in Detroit, the Boy Scouts volunteered and served as pages at that convention.

FIRST DAY OF WINTER WAS A VERY MILD ONE

Sunday, December 21, was the shortest day of the year and the first day of winter according to the calendar. However, it was one of the mildest we have experienced this season and we are a little inclined to think that the calendar was all wrong. Winter started Sunday and is supposed to last until March 21st, look to your coal bins men, look to your coal bins. We have had enough zero weather and snow already for some of us.
