MANY DEATHS MARK WEEK IN DOWNERS GROVE

Dreaded Flu-Pneumonia Responsible for Taking Away of Three Local Residents

The dreaded "flu-pneumonia" was responsible for the deaths of three local residents the last week. The disease which until last Thursday seemed to have passed us by without any serious cases suddenly developed in a very malign form. Many are ill over the village with light cases of influenza and the utmost precautions are being taken to prevent the spread of the disease. Local doctors are busy from morning until night caring for their patients.

MRS. ALLEN KREITZER

Mrs. Allen J. Kreitzer, died at her home, 127 Prince avenue, early Wednesday morning from pneumonia.

Funeral services will be held from the home this afternoon, the Rev. Thomas J. Owens, pastor of the Congregational church, officiating. Interment will be made in the West Side cemetery.

Mrs. Kreitzer was a daughter of Mr. and Mrs. Robert J. Dickson, of Highland avenue. She was born on September 8, 1886 in Chicago, coming to Downers Grove with her parents to the old home on Oakwood avenue, where they lived for many years, when but four years of age. Educated in the local schools she was well known to many.

She was married to Allen J. Kreitzer, who formerly made his home in Naperville, on June 20, 1912 and they made their home in Kansas City, Mo. for about six years, coming back here January 1, 1918.

Two children were born to them, Dorothy Evelyn, five years old and Isabelle, two years old, both of whom survive their mother.

Besides her loving husband and the children she leaves to mourn her loss her parents, Mr. and Mrs. Dickson, three brothers, James C., Roy, and Robert and five sisters, Isabelle, Vera Lillian, Mrs. Mamie Yackley and Mrs. A. C. Soellner, of Kansas City.

ARCADIAN CLUB HAD DINNER ON ANNIVERSARY

Home of Mr. and Mrs. W. W. Heintz Scene of Annual Banquet Of Local Club.

The Arcadian Club celebrated its eighteenth birthday last Saturday evening, January 24th, by enjoying a banquet at the home of Mr. and Mrs. W. W. Heintz, 117 Saratoga av. An elaborate dinner was prepared by the committee in charge and was thoroughly enjoyed by everyone present.

The tables were tastefully decorated with large baskets of flowers tied with tulle in the rainbow colors and the place cards and favors, (small pots of gold also tied with rainbow tulle and containing nuts and candies) helped to carry out the theme of the program which was based on a summer storm, and was responded to with toasts as follows:

A Summer Storm Irene Tiffany
Blue Skies Walter Johnstone
Clouds A. Ray Cramer
Raindrops Join Gray
Thunder and Lightning
Laura Heintz and Idella Drissler
Deluge Fred Drissler

The club wishes to thank Miss Bernice Binder and Miss Myrtle Nielsen for so kindly helping to make this one of the bright days in the club history.

The Arcadian Club was started 18 years ago by a small group of young people as a literary and social club and is probably unique in that it has lasted so long as a club of that nature. Several of the present members were charter members and enjoy it as much now as ever, which speaks well for the high standard of the club.

Miss Edna Finch has been president for the past year and at this meeting, handed the gavel to Miss Dorothy Wheeler, the new president, who served as toast-mistress in a very creditable manner.

Mr. and Mrs. Fred Gerwig, Mrs. Mary Rath and Elmer Rath, have returned to Keighley, Kansas, after spending several days at the L. F. Gerwig home.

SENATOR CLIFFE VISITED HERE IN SWING OF COUNTY

Republican Nominee for Judge of Circuit Court Spoke at the Dicke Theatre

Senator Adam S. Cliffe, of Sycamore, DeKalb County, Republican nominee for the office of Judge of the Circuit Court of this district, visited Downers Grove Tuesday evening and Wednesday morning in his swing around the County.

On Tuesday evening he made a very short talk at the Dicke Theatre, being introduced by Judge M. Slusser, formerly of Downers Grove. Preceding the show, G. H. Bunge, who is very much interested in the candidacy of Cliffe, made a fifteen minute talk.

Wednesday morning Mr. Cliffe, with a few County officials were in the village meeting voters and they also visited Lisle where short talks were made to the farmers.

Earlier Tuesday evening Senator Cliffe, Chas. Bowman, County Superintendent of Schools, and Chas. W. Hadley, County State's Attorney, were speakers at a rally at the high school at Naperville.

Everywhere Mr. Cliffe has been in the county he has made a very favorable impression on the voters. He is a man with considerable legal experience which has been augmented by serving several terms as one of the lawmakers of our State legislature.

Mr. Harry Slick, who has been laid up for the last three weeks with a sprained ankle, is hobbling around with the aid of a cane.

REV. J. B. LITTLE TO TAKE BIGGER FIELD MARCH 1st

Has Accepted District Superintendency for Southern Part of This State

The Rev. James B. Little sent his resignation to the First Baptist church, of which he is the pastor, on last Sunday morning and it has been regretfully accepted by his congregation.

Rev. Little has accepted a much larger field than the local one. He will, after March first, be District Superintendent of the Baptist Denomination for the Alton-Green-Jersey County Association and the Wabash Valley Association. In fact under him will be the entire southern part of the State of Illinois. His headquarters will be at Alton on the Mississippi.

His duties will be partly evangelistic, a field for which his peculiar talents eminently fit him. He will have charge of the locating of pastors of helping the weaker churches and generally supervising the work of the field.

Well Fitted for Place.

Rev. Little, through his work here and in other fields brought himself to the attention of those high in the councils of his church in this state. At Bloomington last Saturday the Board unanimously requested he be called to the district superintendency. He is fitted for the place as he has amply demonstrated. When still a student at the Moody Bible Institute in Chicago, he learned of a place at Hopkins Park, Illinois. Here was virgin territory. For twenty-three miles in either direction there was no house of worship.

Rev. Little gave some time, while still a student, to the field. After graduating he called a meeting of the people of the vicinity and a church was organized. In the two years he occupied the pulpit an edifice was erected and when he left for Morocco, Indiana, the debt had been raised. His entire proceedings in this instance was one of the things which called attention of the church leaders to this young preacher.

Good Work Here

From Morocco Mr. Little was called to take the pastorate of the Baptist church here. He accepted and since coming has made an enviable record. The church, although an old established one, one of the oldest in the state, was run down and in debt. With his usual characteristic en-
