Church Notes. Sunday School 10:00 a. m. Evening Service 7:45 p. m. Church Service, 11:00 a. m.

Mr. Franklin Mey of Vandalia, Ill., is staying with his mother, Mrs. M. Mey, and attending the Greer Automobile School in Chicago.

Mr. George DuMoulin went to Elgin on Wednesday to attend the funeral of his niece.

Mr. Thomas Burgess had a sale on Monday and sold his farm stock and tools and with his family will move into Mrs. Martin Long's cottage in the near future. He lived on the Willard farm and it has been sold in lots and some houses have been built and several more will be built this spring.

Mrs. Frances Pelling is visiting relatives in Tanglewood, Iowa.

Mrs. Jessie Richter and Mrs. John Campbell of Downers Grove, visited relatives here on Thursday.

The banquet given by the Belmont Club was a great success. It was well attended and everyone had a most enjoyable evening.

The officers of the Lisle Community Club met at A. Porter's on Thursday evening for a business meeting.

TWENTY-TWO YEARS AGO IN THE REPORTER

From the issue of Feb. 24, 1898. Our country residents report better sleighing now than any in the last five years.

Aleta Werner entertained her young friends on her seventh birthday anniversary last week. Those present were: Gertrude Lee, Frances Hughes, Etta Alford, Fred Alford, Hazel Rando, Lee Colville, Sam Kenison, Olive Hodler, Harold Lee and Daisy McKenzie.

Mrs. J. M. Smith of Fulton, Ill., has been the guest of Mrs. F. C. Lancaster.

Henry Vix is building a house on Stanley's subdivision, just south of the old "toboggan slide."

Mrs. Wm. Nelson, Mrs. C. R. Storer, and Mrs. Geo. Dieffendorf of Chicago, visited Mrs. W. H. Barnhart last week.

At noon today in this village occurred the wedding of Mr. Geo. Godfrey and Miss Carrie Bissel, both of Plano. The ceremony was solemnized at the residence of the groom's brother, R. L. Godfrey, on Lyman ave. The Rev. Geo. L. Moore officiated.

The destruction of the Maine at Havana has been the subject of "town talk" during the past few days. Knots of men gathered about in the stores and offices for the sole purpose of settling the affairs of the nation, have decided that the affair was not an accident, but one of Spain's premeditated slaughters, and have condemned the policy of the administration and declared war. History shows that often "country profets" are true profets. (Editor's note—In this case it seems to have proven right.)

Find Value of Various Woods. Investigations by the agricultural department show that one standard cord of well-seasoned hickory, oak, beech, birch, hard maple, ash, elm, locust or cherry wood is approximately equal to one ton of anthracite coal. A cord and a half of soft maple or two cords of cedar, poplar or bass wood are required to give the same amount of heat. One cord of well-seasoned mixed wood equals at least one ton of average grade bituminous coal.

It Makes a Difference. The man who tries to reform others is an inspired missionary. The man who tries to reform you is a hypocritical humbug.—Cincinnati Enquirer.
