JOHN LAMBERT

John Lambert, candidate for delegate to the Republican National Convention.

John Lambert is a resident of the City of Joliet, Will County, Illinois.

He was a soldier in the Civil War and served from the time he enlisted, until the close of the War.

Some forty years ago, he engaged in the manufacture of steel and iron and had a large and important part in the development of that industry. Upon the organization of the United States Steel Company, the steel plants in which he was interested were acquired by that Company. Since that time he has been engaged in the development of various other industrial enterprises.

In politics, Mr. Lambert has always been a Republican and has taken an active interest in the affairs of the party.

He was a member of the commission appointed by the Governor to examine the Sanitary District of Chicago, to determine, and report to the Governor whether the District had been completed, as required by law. Of several positions in which he has rendered public service, this is the only one in which he received a salary, and all that he received, for this service, he donated to the Newsboys' Home.

Governor Frank O. Lowden is his choice for the Republican nomination for President of the United States. Mr. Lambert believes that Governor Lowden's unexcelled record of public service not only qualifies him, but entitles him to the Republican Nomination for President, and, he will regard his election as a Lowden delegate, a very high honor.

PRIMARY ELECTION

APRIL 13, 1920

at which voters are entitled to express their preference for Presidential candidates of their political parties; elect delegates and alternates to the National Conventions and elect members of the State and County Central Committees.

WILLIAM E. WIRE

William E. Wire candidate for delegate to the Republican National Convention

William E. Wire is a resident of Hebron, Mc Henry County, Illinois.

He was born on a farm in that County. He attended the country schools and later the High and Normal School, to equip himself for teaching school.

After teaching school for several years, he was elected County Superintendent of Schools of Mc Henry County, and thereafter twice reelected. His last term expired in 1902 and he declined an unanimous nomination of his party.

Mr. Wire has always been a Republican, and for thirty years he has been a member, and for the last twenty years, Chairman of the Republican Central Committee of McHenry County.

Mr. Wire may well be proud of his record in public life, where he has always faithfully discharged every duty imposed upon him in the many positions of public trust, which he has held.

In 1902 he was appointed Cashier of the Bank of Hebron, a position which he held until December, 1919, when he was obliged to resign because of failing health, caused by over work in public affairs.

Governor Frank O. Lowden is his choice for the Republican nomination for President of the United States. He believes that if Governor Lowden's splendid record, as Governor of Illinois, is fully understood and appreciated by the delegates from other States in the Convention, Governor Lowden will be the nominee.

If Mr. Wire is elected, as a delegate, he will regard it not only a privilege, but a very high honor to vote and work for the nomination of Governor Lowden for President of the United States.
