BISHOP SAMUEL FALLOWS OFFICIATED AT FUNERAL OF MRS. CHAS. BLODGETT

A host of people gathered at the Blodgett homestead on East Maple avenue, Friday afternoon, April 9th, to pay their last tribute of respect and love to Mrs. Emma Brookins Blodgett, wife of Mr. C. B. Blodgett.

Long before the hour set for the funeral service old friends began to assemble at the home, until at three o'clock, the house, large as it is, was filled to overflowing.

The room wherein lay the mortal remains of Mrs. Blodgett was a veritable bower of blossoms, brought by friends from far and near, a fitting setting for the one, who in life loved flowers so dearly. Among the floral gifts were those from the Board of Supervisors of DuPage County and from the Grand Army of the Republic, Naper Post.

The funeral services were most impressive. Bishop Samuel Fallows, a life-long friend of the family, in his own inimitable manner, spoke words of comfort and cheer, which will long remain in the memory of those who heard him. Miss Gwendolyn Griffiths sang "Lead Kindly Light" and "Abide With Me."

A large number of those present at the funeral services accompanied the body to Hinsdale where it was temporarily placed in the mausoleum in Bronswood cemetery.

Mrs. Blodgett was one who lived her life quietly from day to day, doing faithfully the duty nearest at hand, and her life will be a lasting inspiration to all who knew her.

LOCAL MEN JOINED BIG CHICAGO CHAPTER, LOYAL ORDER OF THE MOOSE

Dr. E. B. Goodwin and Mr. H. S. Dum joined the Loyal Order of Moose Monday evening, at the installation of the new Greater Chicago Lodge, a class of over 2,000 being initiated. Mr. Dum reports that Gov. Lowden, who is a very enthusiastic "Moose," favored them with an address, and that Dr. Goodwin, called upon to state his impressions of the occasion, did so in happy style. In view of the fact that all of the other speakers, due to the time limitations with so large a class, were of prominent national officers only, evidently Downers Grove was "on the map" for the evening.

The money for plant extensions of the Telephone Company must be obtained through issuance of stocks, bonds or notes.

Reconstruction projects and new or expanding industrial undertakings are in the market for new capital.

Foreign governments are seeking loans for the rehabilitation of their devastated domains.

The competition for capital was never so keen and borrowers must show, beyond question, their ability to earn and pay interest and dividends.

The rate schedule is the index to the borrowing power of the Telephone Company. It should be liberal enough to demonstrate conclusively that the company will promptly carry out its obligations to stockholders and bondholders.
