Y. M. C. A. GIVES SURPLUS FUNDS TO THE LEGION

The canteens in France were operated by the Y. M. C. A. at a loss of about a million and a half dollars in spite of press gossip in America to the contrary. However, government grants enabled the Association to close its books with a surplus of a half million dollars. Not wishing to profit in any way from the canteen service, the Y. M. C. A. has tendered to the American Legion the half million surplus and it has been accepted. The money will be placed at interest for five years and the income will be used for the betterment of ex-service men and women. This fund gives financial backing to the American Legion.
