ABOUT THE COMMUNITY CHRISTMAS TREE FOR 1919
As the Treasurer's report shows, the Community Christmas Tree this last year was a very inexpensive affair, and there is still a small fund to apply to the same purpose next year. We had an opportunity to purchase the wiring at a very low cost, so it will be available without fail in the future.
It is our hope that the Community Christmas tree has now become a permanent institution in Downers Grove. We would offer this suggestion to the committee that has its preparations in charge next season; that the songs that may be selected be printed in large type in the "Reporter" one or two issues in advance. These can be clipped and used instead of song books which are too expensive to secure in large enough quantities.
On behalf of the Committee,
Thomas J. Owens, Chairman.
Report of Finance committee, Community Christmas Tree Fund:
