**Town of Historic Interest.**  
 While the name, Norristown, calls to mind that this place is the home of the state institution for the insane. It is also well to remember that it is historically interesting. Here can be seen the old Swedes' ford of the Schuykill river, where American and British armies crossed many times during the Revolution. On Main street is located the home of Governor Harttraft, Here, too, is the Seven-Star tavern, established in 1754 and famous during the Revolutionary war and on this same street was located the home of General Hancock, of Civil war fame.—Philadelphia Record.

**Domestics of Brazil.**

**Flowers.**

Flowers seem intended for the solace of ordinary humanity; children love them; quiet, tender, contented, ordinary people love them as they grow; luxurious and disorderly people rejoice in them gathered; they are the cottager's treasure; and in the crowded town mark, as with a little broken fragment of rainbow, the windows of the worker in whose heart rests the covenant of peace.—Ruskin.

**To Clean Brass Articles.**  
 Do not throw away squeezed lemons; use them for cleaning brasses and dish covers. Put a pinch of whiting on the article to be cleaned, and rub it in well, using the lemon as a sponge. You will be surprised to see how much dirt you can remove in a very short time and with little trouble. Brasses cleaned in this way keep clean longer than when done with ordinary polish.

**BRUNSWICK TIRES**

The third generation of Brunswick workmen are now applying to Brunswick Tires the knowledge of "skill plus care" learned by their grandfathers in the early day of Brunswick history.

And so, when you take the wrapping from a Brunswick Tire, you know exactly what you will find,

—a Brunswick product, honestly made to render real service.

That has been the case with every Brunswick product since 1845.

If you haven't tried a Brunswick Tire you're missing something good.

Better get on and ride.
