Curtiss' Hitting Feature of Game— Ehninger Tight Until the Last Round.

The Legion team was again victorious, adding Lombard to the list of defeated teams. The final score was 13 to 7. That the locals can hit is shown by their fifteen base swats.

Playing of Curtiss a Feature. It was a happy throng of fans, between five and six hundred, who greeted Ted and Johnny back to the local team, after their sojourn in Japan.

WEST SUBURBAN POLICE PATROL WORK STARTED

Motorcycle Police Squad Began Work Last Saturday to Protect West Suburban District

The patrol service of the West Suburban Protective Association was officially inaugurated at 6 o'clock p. m. June 19.

This squad of highway guards is charged with the prevention of crime against motorists in the above district and have been ordered to bring in dead or alive, whole or in pieces any member or members of the criminal element who may again venture to ply their nefarious trade in any part of this district.

As may be readily seen, not only the owners and drivers of automobiles but also all citizens in the above district are receiving material benefit in police protection from the added force of highway guards.

The recent car stealings, hold-ups and attempted hold-ups between the towns mentioned above has made this step necessary. As this, in a small measure, protects local motorists, we would suggest that those who care to send their contributions to the President of the LaGrange Board.

La CHARTY—GRUSH

Oakwood avenue was the scene on Tuesday evening, June 29th, of one of the most charming weddings of the season when Miss Madelyn Jane LaCharty was united in marriage to Mr. Vernon Charles Grush of Naperville.

The house was a bower of beautiful flowers. Miss Zita Norpel sang "At Dawning" with violin obligato by Miss Mamie Engelschall.

The bridesmaids, Miss Helen Hawkins in pink organdy, Miss Shirley Grush in orchid and Miss Elaine Holohan, maid of honor, in green organdy, each carrying a floral staff of sweet peas, preceded the bride whose gown, of white satin, draped in tulle with a silver lace bodice, and beautiful tulle veil added much to the youthful beauty of the bride.

The wedding supper was served to about fifty guests. The young people were the recipients of many handsome gifts and have gone on a ten days' motor trip thru Wisconsin.

ARCADIAN CLUB ANNUAL PICNIC HELD SATURDAY

Motored to "Cow-Pasture" on the Banks of the DuPage for Games and Lunch

Did you hear a happy, tired bunch of young folks coming home whistling "The End of a Perfect Day," last Saturday evening? It was the members of the Arcadian Club returning from their annual automobile ride and picnic.

Five cars full left early Saturday afternoon for "just an old cow-pasture on the banks of the DuPage." But they will tell you it was a dandy spot for a picnic. And O! My! how they did eat the delicious lunch carried with them.

After a good game of ball, a hunt for wild strawberries and incidentally for a lost cuff link, they were all aboard for Naperville and some more good things and then home, a tired but very happy crowd.

There are rumors afloat that they are going for another one very soon. Those who enjoyed themselves as only the Arcadian Club can, were

To Keep American Ships on the Seas For the first time since the Civil War we have a real merchant marine. It cost us \$3,000,000,000 to get it. The farmer, manufacturer, laborer—every American is interested in holding our position on the seas. As a first step in this direction it is necessary to modify those articles of existing commercial treaties which have operated to thwart the upbuilding of our merchant marine— By giving the notice of termination for which the several treaties provide. This action is directed in the constructive Shipping Bill now before Congress; Which declares it to be the policy of the United States "to do whatever may be necessary to develop and encourage" a merchant marine. This policy deserves the support of every American. Lacking this support the present effort to maintain our merchant marine may suffer the fate of many ineffective attempts of the past. Send for a copy of "For an American Merchant Marine." Committee of American Shipbuilders 20 CHURCH STREET, NEW YORK CITY.
