Good Things to Eat
Prepared Without Waste
It's not a difficult task to prepare abundant things to eat, if cost or waste is not considered. The trick is to make every penny count—to make the cheaper cuts and articles of food taste as good as the more expensive—to waste or spoil nothing.
Housewives who are cooking on a new model Gas Range know how faithfully their Range serves them and aids them to cook thriftily without the sacrifice of taste or quality.
We are showing some remarkably efficient new 1920 Ranges that will aid you in your struggle with high costs. You are invited to inspect them.
