By Scribe.

Although the locals added another victory to their list it was by no means a big one. Big in score perhaps, but not big as a ball game. In common baseball English it was "flak." The locals pounded the pill for 17 safe wallops and put 19 runs across the home sack. From start to finish the game was a slugfest. As far as the Legion boys were concerned, even the weaker comrades lifted the pill into wild parts good for several bases.

The Lockport team was weak in every part of the game and especially so in the slugging end. Jennings was hit mercilessly. In the first inning he walked three men in succession and was wild throughout the game. The locals gathered five markers in the first. The fifth frame was a bad one for Jennings. Six hits were collected besides a pass, which were good for 7 tallies.

In the seventh Binder put one to East Grove for a circuit drive.

Ehninger had little trouble handling the boys from the south. He had them breaking their necks at everything. Whenever he was in danger he shot them across and registered a strikeout. Bruns was behind the plate and showed good form only one man reaching second by the "take and get" route. With more practice the "old man" will be pegging the pill around and receiving like a Ray Schalk. We're afraid to say any more about the slaughter of last Sunday so you can list to a few words about next Sunday's energy. Waukegan here Sunday.

The crack semi-pro organization from Waukegan will journey out here Sunday to show the town a good ball club. These players have been cleaning up everything along the North Shore. They come with a good "rep" and should put up a hard battle. We give you just this much of the dope—if you want to see a real ball game—be on hand Sunday.
