LOCALS REVENGE THEMSELVES ON CHI. WHITE ROCKS

The heavy bats of the Legion nine were responsible for the 8-3 victory over the White Rocks last Sunday.

This win gave the locals the best of a rubber having won and lost one to the Chicago outfit previously. The locals batted the pill mightily and frequently garnering an even dozen safeties off of Burns' rather poor offerings although he only issued one passport to first during the eight innings of which the locals shared in.

As a cool wind was fanning the fans a large crowd was not in evidence but the stands were capacitated. The White Rocks failed to put up as good a game as expected hence it was a trifle slow at times.

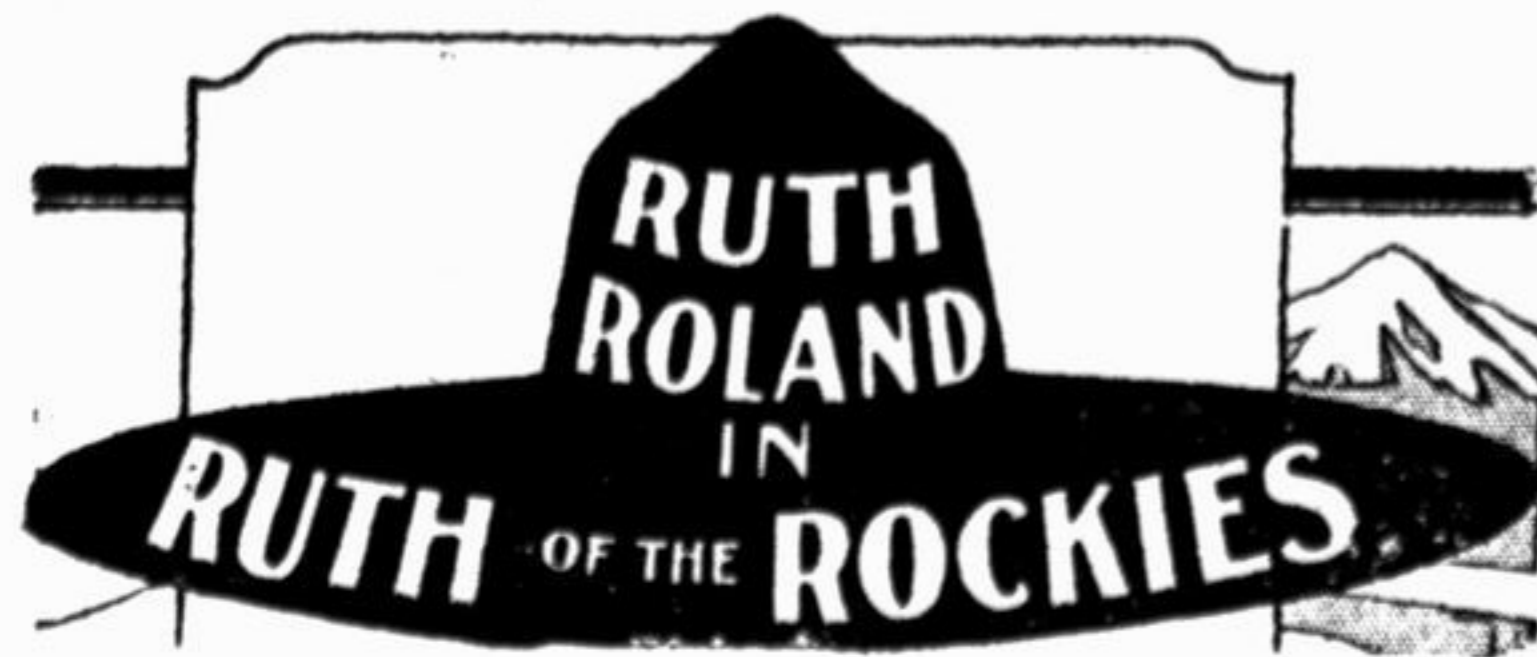

Sunday the old Edison Park team now known as the LaFayettes will journey out. Dame Rumor reports they shake a wicked stick and should cause Ehninger to work his benders hard. Sorry but no notes this week.

The Philathea Class of the Congregational Church will have their regular business meeting and social on Friday evening, September 2, at the home of Misses Harriet and Elizabeth Strong, East Maple ave. Election of officers will be held at this meeting and every member is earnestly requested to be present. All friends of the class cordially invited.

A CORRECTION

Helmuth Kropp's death was not due to appendicitis as stated in a previous issue but to Tubercular Peritonitis, according to the doctors who had charge of the case.

You Have A Candidate!

For Congress in Response to the Popular Demand of the People of McHenry, Kane, DuPage and Will Counties

What I Stand For:

LAW AND ORDER—Maintenance of law and order, that being the basic principle of good government.

BONUS FOR SERVICE MEN—A liberal bonus for men and women who served in the late war and the expending of every dollar necessary to give proper treatment and all possible comfort to those who are suffering from the effects of that service.

PROTECTION FOR THE FARMER—Legislation to protect the farmer, as he is "the backbone of the nation." My experience as secretary of the Kane County Farm Association for six years and as a member of the Agricultural Committee in the Illinois Legislature has taught me what his needs are.

SQUARE DEAL FOR ALL—A fair deal for the laboring man, the business man, the manufacturer and every other man. I believe in a policy of "live and let live," not as interpreted by special interests but for the general good of all and the prosperity of the nation.

SANE RECONSTRUCTION—A reconstruction policy based upon humane principles, with a view to stabilizing industry and restoring business to a normal basis. A revision of revenue laws to place the burden of taxation where it properly belongs.

What I Am Opposed To:

LEAGUE OF NATIONS—The League of Nations as now proposed, believing that this government should remain free of any foreign alliances which would jeopardize our sovereignty or endanger our freedom and independence through European entanglements.

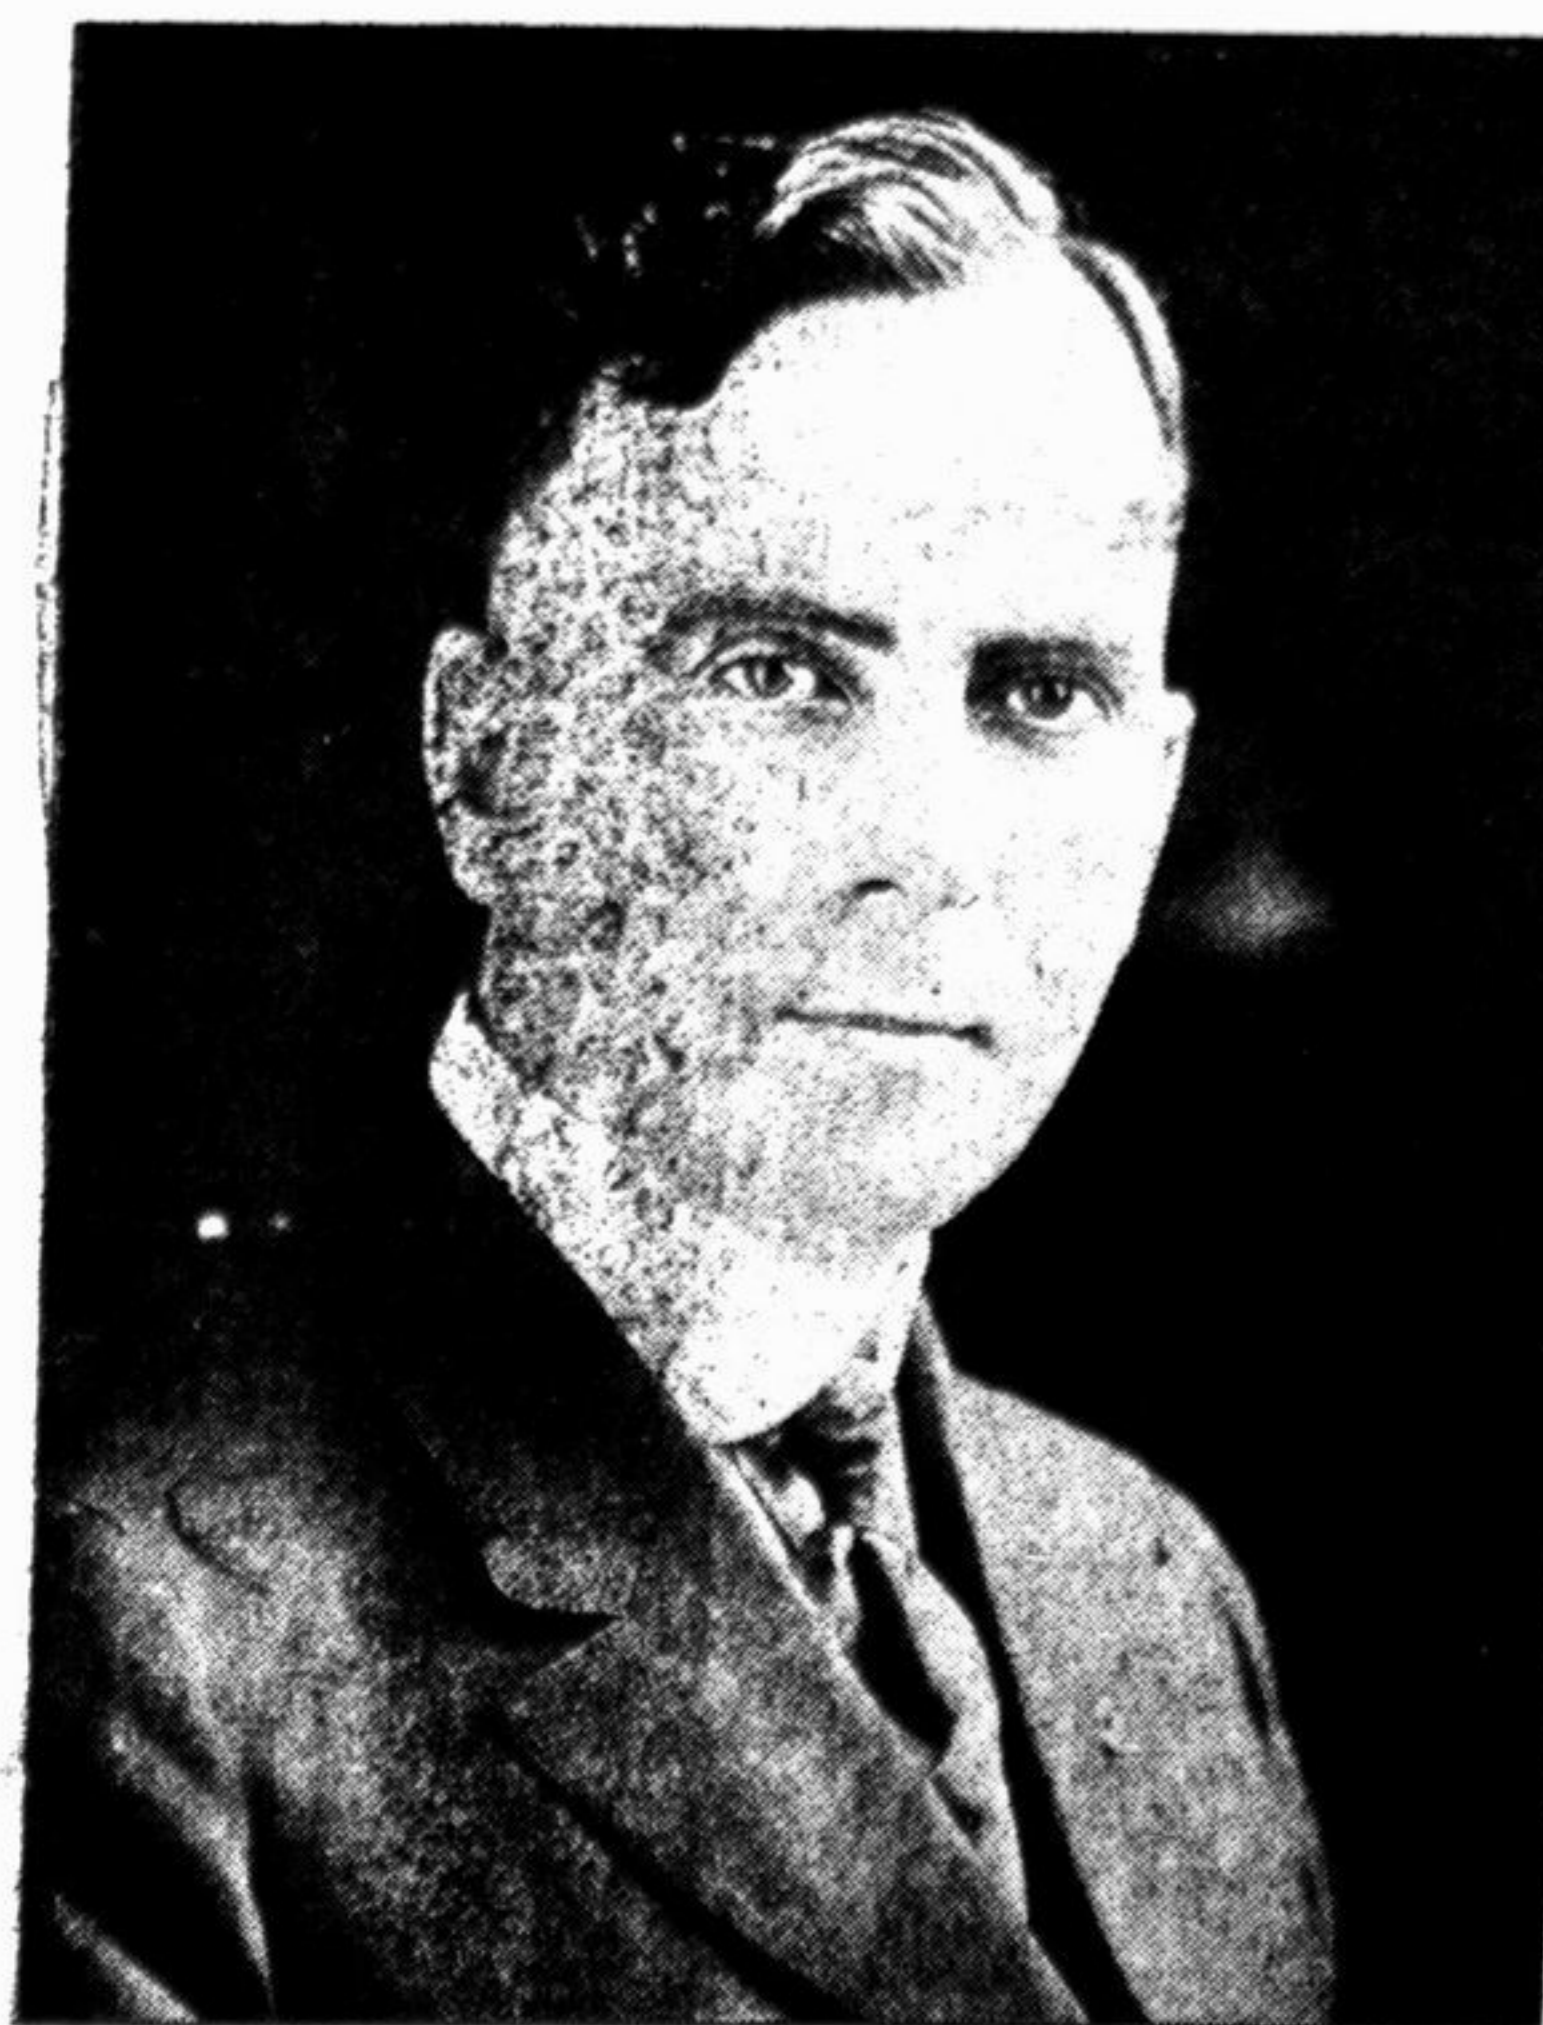

THE PROFITEERS—The profiteers, who by hoarding foodstuffs and the necessities of life create a forced demand, thereby increasing the cost of living and causing a prohibitive raise in prices. Necessary legislation must be enacted to curb this evil.

RETIRING EFFICIENT GOVERNMENT EMPLOYEES—Any arbitrary ruling which automatically retires government employes from service at a certain age, regardless of their efficiency and ability to perform their work.

ONE MAN CONTROL—One man control of the Eleventh Congressional District of Illinois through the maintenance of a gigantic political machine, a newspaper trust consisting of three of the four daily newspapers in the district, and a paid force of employes, political and otherwise.

BOSS DICTATION—A political situation in this district which makes it necessary for any man seeking political office to combat a paid political machine or ask the consent of a "boss" before running for office.

Signed, **FRANK A. McCARTHY**

Frank A. McCarthy Member of Illinois Legislature

CANDIDATE for the Republican nomination for Representative in Congress from the Eleventh Congressional District, subject to the primary of September 15, 1920.

A CAMPAIGN conducted without the use of a paid organization and by volunteer workers.

AN HONEST EFFORT to restore to the people of this district, a representative in our national congress, who will represent ALL THE PEOPLE and NOT SPECIAL INTERESTS.

TO THE WOMEN VOTERS—You may have the right to cast your initial vote on all candidates at the September 15th primary. It would give you power to destroy the old system of political bosses and drive the "ward heelers" and paid workers out of politics. You would make a powerful ally in my fight for CLEAN POLITICS and a square deal for all in this district.

FRANK A. McCARTHY.
