The Man With a Roll of Bills

is a shining mark for hold-up men and pickpockets. He is also a shining example of inefficiency.

The modern way to carry money—is not to carry it at all, but to deposit it in a good, safe bank and draw against it from time to time by means of check.

A CHECKING ACCOUNT is a modern necessity. If you haven't one, it will take you but FIVE MINUTES to open such an account in this bank. Why not do so?
