Beautiful North Side Woods! Marshall Field Estate

We are again giving you as citizens of Downers Grove the opportunity of making first selection of the North Side portion of the late Marshall Field Estate. We have divided this property into various sized home sites ranging from 60 ft. lots to an acre of ground. We are restricting this property as to building line and character of buildings so as to protect it and make it the choicest residential section of Downers Grove or along the Burlington Railroad anywhere.

By this time the people of Downers Grove surely realize the value of the Marshall Field Estate as they have in the past few weeks seen Chicago people coming out there by the hundreds buying these choice parcels of ground. We have sold on the South Side approximately \$125,000 worth of land in the past 4 weeks and the North Side will go even faster. It is only a matter of opening it to the Chicago public to sell it. We are giving you the first opportunity. If you hesitate you will be too late.

BIG SALE

to Downers Grove People

Saturday Afternoon, September 25th and All Day Sunday, September 26th

Our Salesmen wearing RED, WHITE and BLUE Badges will be glad to show you this property and give you price and terms. They will be found either on the ground, at the station, or at our local office in the Central Hotel.

The number of every lot is stenciled on a stake in the center of the front lot line. You can look this property over between now and Saturday afternoon or Sunday and make a selection. Tell the Salesman the lot number you are interested in and he will give you price and terms immediately.
