TAKES CAR FOR JOY RIDE

One of the high school boys took the Henry Tank car from the school yard yesterday afternoon for a joy ride around the country, without stopping to get anyone's permission to do so. After he had had all the "fun" he wanted with the machine he abandoned it at Main and Maple, where Harry Sutter found it. By making discreet inquiries Mr. Tank learned the name of the boy and meeting him on Main street wrung a confession from him. He was all set to prosecute but the pleadings of the boy's mother stopped him and he will drop the matter, first making the young man pay for all damages out of money he earns. We do not think the boy is naturally criminal, but just one of these lads who think they are "hard," and this is one of his ways of blowing off excess steam.

BUSINESS MENS BOWLING LEAGUE IS BEING FORMED

Those wishing to roll can "Get In" by being at Dicke's Alleys Monday.

Another bowling league to roll at the Dicke Alleys is being formed. A meeting was held on Tuesday evening and the following officers chosen: President—C. H. Staats. Vice-President—M. E. Colman. Treasurer—W. C. Callender. Secretary—B. E. Lanphear.

Those interested have their object the forming of six or more teams of five men each to bowl once a week. The men are to be evened up as much as possible to make the competition more keen. Teams will be outlined next Monday night at the alleys to be opened for business by that time. All those who wish to roll in this league should be present at that time.

It is expected that many of the old time bowlers will take advantage of this opportunity to get in on the winter sport.

League Opening Postponed.

The second annual tournament of the Downers Grove Bowling League which was to have started last night, has been postponed because the alleys were not in shape for the opening. It will start next Thursday night.

LOCALS LOST TO NAPER SEMI-PROS IN RAGGED GAME

Big Crowd Watches Defeat of the Legion Nine in One of Last Season Games.

Table with columns: Downers Grove, Naperville, Shimp 1b, Shannabrook, Sullivan, Kluckholm, Hase, Smith, Stenger, McCabe, Wehrle. Rows: AB, R, H, C.

Table with columns: Downers Grove, Naperville, Shimp 1b, Shannabrook, Sullivan, Kluckholm, Hase, Smith, Stenger, McCabe, Wehrle. Rows: AB, R, H, C.

Home run—Carpenter; three base hit—Hass; two base hits—Curtiss, Shannabrook, Kluckholm, Wehrle; Base on balls, off Ehninger—3, off Bruns—2, off Wehrle—3. Struck out by Ehninger—6, by Bruns—1, by Wehrle—10. Double plays—Hass to Shimp, Bruns to Curtiss.

The local nine suffered a defeat at the hands of Naperville last Sunday on the local field. The game was low and full of errors, due perhaps to the condition of the field. The local boys staged a rally in the ninth with the score 9 to 5 and put across two runs but couldn't find the "zip" to slip the other necessary ones over. Naperville showed its same balling spirit, and the game was uninteresting because of their attitude. Ehninger was tapped for nine safe wallops and the locals garnered the same number. Herb's arm was ailing and he couldn't put them across in his usual form. Bruns took the mound in the eighth. Shannabrook of local fame, played the best game for Naperville. He was in the game all the time and made several brilliant stops.

Naperville opened the first frame with a bang and scored three runs. Shanny drew a pass and got to see and when Hawkins dropped Sullivan's long fly. Kluckholm drove one thru left center for two sacks, scoring Shanny and Sullivan. Hase tried to extreme left. Kluckholm scoring. The locals put across two in the first. Carpenter poked a yard home run to center, scoring Mochel who drew a pass port. In the second spasm Mrkivicka was issued four balls. Mochel's sacrifice put Charley on second. Carpenter singled. Mrkivicka scoring. Curtiss unworked a screeching double to right, allowing Carpenter to score. Naperville played air tight ball for several innings and the locals failed to put anything across. A double and two singles chalked up two more for Kroehler's semi pros in the fifth. The local outfit lost a good chance to win in the seventh. Hase heaved Mrkivicka's roller to the stands, netting him two sacks. Mochel walked but was forced by Shanny at second on Bob's grounder. Curtiss singled scoring Mrkivicka. Carpenter going to third. Binder rolled to Wehrle and was tossed out. Carpenter being held

at third. A single would have put the locals to the fore. Hase made a neat stab of Ehninger's drive, staving off ninth defeat. Mochel opened the ninth by beating out an infield hit. Carpenter followed suit, scoring Mochel. The peg home was wide and Carpenter was nipped at third on a close play. Binder's single scored Curtiss. Bruns whiffed, ending the gruelling contest. That the locals lost is no discredit to them. They played as good a brand of ball as our neighboring semi pros and gathered as many hits. Naperville enjoyed the breaks of the game and kept their hits lunched Sunday the locals travel to Naperville and should trim them easily on a fast field. Should Ehninger have been twirling in form the Naperville outfit would have been a sorry looking crew. This, not as an alibi because the locals were fairly beaten in last Sunday's game but as an explanation for our twirler's being hit so hard. A crowd even larger than the Hinsdale game was present Sunday and an even greater galaxy of spectators is expected to be on hand at Naperville Sunday. Be on hand Sunday as the boys will need you if we savvy Naperville correctly. The Naperville field is fast and should prove which team is superior. They promise us a good selection of semi-pro ball players.
