

RALLY IN NINTH BEATS HINSDALE FOR THIRD GAME

American Legion Team Closes Successful Season by Showing Up Hinsdale Again.

By a ninth inning rally last Sunday the local American Legion baseball team, at Hinsdale, swept the outfit from that suburb off its feet and pulled the game out of the fire, winning 7 to 4.

This is the third game played with Hinsdale this season and the locals copped them all and have clearly demonstrated their superiority over the losers in almost every department.

The Labor Day game was pitched by Bruns, and although hit rather hard, were beaten 4 to 2 in five innings, the game being called on account of rain.

Downers kept pecking away at Theidel all during the game, trying to overcome the lead spotted them, but couldn't do much, a fielder always being in the way of their drives.

Last Sunday's game was the last of the season and Manager Binder and the players are to be congratulated for the brand of ball displayed.

NOTES OF THE GAME

Ehninger's twirling was easily the feature of the game. Hinsdaleans, take off your hats. The river looks kinda muddy when he shoots them across.

dazzled the Hinsdale players as well as the fans.

Mochel sure steps them off some when going down to first.

Bobby and Billy made a classy looking pair around second and short.

Downers Grove fans, who came down in goodly numbers, were almost forced to concede the game to Hinsdale after the eighth. But, Oh Boy! You should have seen them root in the ninth. Some joy.

The team owes a vote of thanks to the loyal rooters who have supported them all season. After all is said and done, it takes the fans to make the game worth while.

So long until next year.

BOWLING NOTES

Although the box score shows that "Dad" Walters was absent the first series, he was there but on the side lines. Here he coached his team to a three game victory, being unable to bowl.

Peterson of the Legion five was the surprise of the series last Friday. He nicked them for a cross on the sheet many times.

With four times as many seats for spectators as ever before, the gallery was crowded to capacity. Interest in bowling here is growing every year.
